Paid permit holders are to park in the side lot located across Kentucky Avenue from the church building. Parking in rear lot should only be in the event the side lot is full.

General Terms and Conditions

- All parking permit holders explicitly agree to the following requirements without exception:
- The responsibility of finding a parking space rests with the permit holder. A PARKING PERMIT DOES NOT GUARANTEE A PARKING SPACE; however, it does grant the privilege to park in the church lot when there is parking available. The church will make good faith efforts to manage parking in such a way to reasonably provide spaces as/when needed by permit holders. However, there is always no guarantee of parking spaces and in such case, the permit holder agrees not to hold the church liable in any way.
- Lots are controlled and permits are required 7:00 am to 5:00 pm Monday through Friday.
- The permit should be displayed in the driver's side portion of the front windshield or, if desired by the permit holder, on a hangtag from the rear-view mirror. If a permit holder is missing their permit for any reason, or the permit is past its expiration date, their vehicle shall be considered as never having a permit and subject to towing.
- It is the responsibility of the permit holder to ensure that a permit is properly displayed. Vehicles with parking permits that are not displayed in accordance with these regulations are subject to towing.
- Permit holders shall park in marked spaces only. Permit holders may not park on lawn or grass areas, curbs, or other church grounds that are not assigned as parking spaces.
- Permit holders shall not park in any spaces reserved for those with disabilities or otherwise marked reserved in any way. Parking in the lot rear of the church building anywhere in the first row of spaces nearest the building is strictly prohibited. Vehicles parked in the first row of spaces of the rear lot at any time are subject to immediate towing.
- The church may need to utilize the parking lots for special events (example: Woodland Arts Festival usually held in August of each year). The church will make good faith efforts to ensure parking is made available to permit holders at these times. However, the church makes no guarantee as to the availability of parking spaces to permit holders in such cases.
- The church reserves the right to close or restrict access to the lots for maintenance needs, emergencies, or other events or reasons as the church deems fit. In the event of such incident, the church will make reasonable efforts to notify parking permit holders in advance but is not liable in the event that this is not possible or that permit holder is not notified or is temporarily deprived of a space as the result of such event.
- Lost, Stolen, or Damaged Permits – The church must be notified immediately when a permit has been lost, stolen, or damaged. All aspects of replacement of the permit shall be at the discretion of the church.
- The parking permit shall not be used in the conduct of any illegal or immoral activity. The permit holder shall not litter or damage the lots or church grounds in any way.
- Permit holders may not conduct repairs to vehicles while on the church premises except for emergencies and those must be with prior permission from the church.
- When any vehicle is determined to be in violation of any term or condition of this agreement, it is subject to towing at the owner's expense.
- Woodland Christian Church reserves the right to cancel the permit in case of violations of this agreement. Permit holders will be notified via postal or email. The church shall have sole discretion in deciding whether to refund any portion of the permit holder's fee.
- Woodland Christian Church Property Committee may exercise discretion to deal with special circumstances not covered by these regulations.

Rates and Payments

The rate for permits is:

- Students: \$25 per month/per space
- Individuals and Businesses: \$40 per month/per space

Permits for students may be for a period of no less than three months and up to twelve months. Permits for individuals and businesses must be for twelve months. All fees are due and payable at the time of permit issue and may be paid via cash or personal check. Permits issued to any party for which a check payment is returned to the church shall be immediately null and void and any vehicle parked in the church lots with such permit shall be subject to towing.

Hold Harmless Agreement and Indemnification

- The parking permit holder hereby releases from liability and agrees to indemnify and hold harmless Woodland Christian Church, its employees, agents, and volunteers from any and all damages, whether to property or persons, that may occur from the use of the parking lots.
- The church assumes no responsibility for the care or protection of any vehicle or its contents while it is parked on church property. The church also assumes no responsibility for the care or protection of any vehicle or its contents during its towing/removal or subsequent storage resulting from violations of these requirements. This includes any damage, including that related to theft or other crime that may occur while permit holders vehicle(s) are parked in the parking lots.
