

ARIES (March 21 to April 19): Give serious thought to your general life direction today. Are you headed in the direction you want to go? Are these goals your goals or someone else's?

TAURUS (April 20 to May 20): This is an excellent day to make plans for the future about getting further education or training that can help you in your job or enhance your life. Any ideas?

GEMINI (May 21 to June 20): Ask for what you need at work today. If it's an increased budget, more equipment or better support, you might get it! People are down-to-earth and willing to listen today.

CANCER (June 21 to July 22): Conversations with partners and close friends will be practical and realistic today. This is an especially good day for people to discuss how to care for and educate children.

LEO (July 23 to Aug. 22): Don't be afraid to choose boring, routine work today, because actually, you will do it easily. You have focus and endurance, and you will pay attention to details.

VIRGO (Aug. 23 to Sept. 22): Discussions with romantic partners will be productive today, especially about subjects like how to share expenses or the division of labor. People want practical results.

LIBRA (Sept. 23 to Oct. 22): This is a day for serious family discussions. Listen to older relatives who have more experience. Everyone wants to make practical headway, especially regarding home repairs.

SCORPIO (Oct. 23 to Nov. 21): Because you have such an orderly state of mind today and a strong sense of self-discipline, you can move mountains! Discussions with others will be down-to-earth and realistic.

SAGITTARIUS (Nov. 22 to Dec. 21): Pull your money scene together. Find out how much you owe and how much you own. Information is power. You might as well get the facts. (Gulp.)

CAPRICORN (Dec. 22 to Jan. 19): Any task that you set for yourself today will be done carefully with no loose ends. You have excellent powers of concentration, and you will pay attention to details.

AQUARIUS (Jan. 20 to Feb. 18): Research will go well today, and it will be productive. You won't mind slogging away at boring details until you find what you're looking for. (Impressive.)

PISCES (Feb. 19 to March 20): Consult someone older who is more experienced for advice today, because you will be pleasantly surprised. After all, you don't have to reinvent the wheel, right?
