With over 15 years of experience, Stuart Englehart Construction will provide quality remodeling services and home repair to homeowners in the East Bay. Whether your project is an addition, remodel, or home maintenance, we can meet your needs. With a professional commitment to quality and personalized service, we can make your vision a reality.

Small Additions

Remodeling

Bathroom

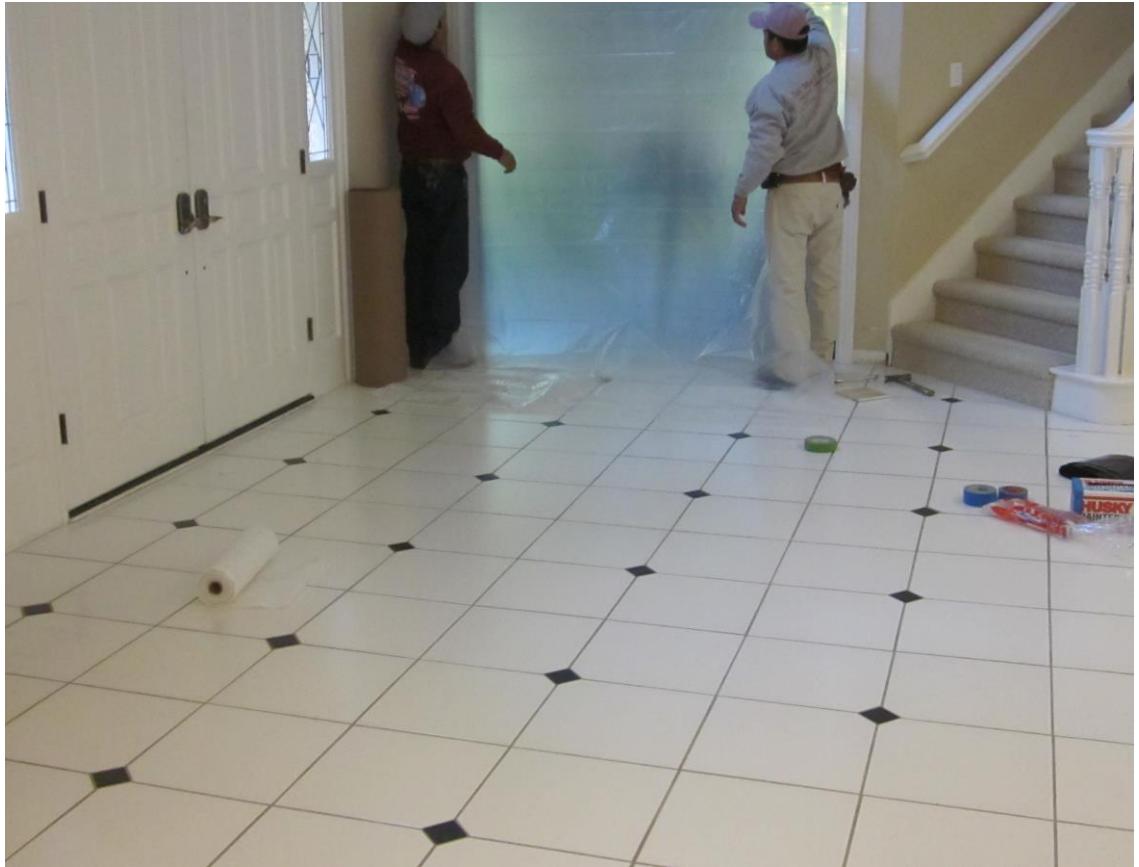

Kitchen

We offer services that join client, architect, designer and contractor to make your home vision a reality. We realize that price is an important issue; therefore, we are dedicated to providing a competitive price without sacrificing quality, professionalism or service. We are passionate about our work and it is evident in the end product that our clients receive.
