

***SPECIAL OFFER for Independent Contractors, Service Providers, Freelancers and Small Businesses -- put your information on the internet in less than 5 minutes!***

If you use printed ads, flyers, or business cards to market your products or services, ZPAGE is perfect for you -- It puts your information online and makes your own mobile number the online locator or URL for advertising.

***Every small business person is asked,  
“Do you have a website?”  
The customer is really asking,  
“How can I learn more about you before I call?”***

**ZPAGE** gives shoppers the information they want and gives you the marketing power of an online page ♦ Without building a website ♦ Without depending on anyone else ♦ In any format ♦ Using any existing document or file ♦ You are in total control and your mobile “page address” never expires.
