

FREELANCERS GET ADDITIONAL SOURCE OF REVENUE BY ADDING A ZPAGE ONLINE LINK TO ANY CUSTOMER ORDER

ZYPLINE OFFERS A NEW ONLINE SERVICE 'ZPAGE.CO' THAT ENABLES YOU TO PROVIDE YOUR CUSTOMERS A LANDING PAGE FOR THE WORK THAT YOU PRODUCED.

WHAT IS IT? **ZPAGE** is a new and simple posting app that takes any or from your computer and instantly uploads it online and sets your customer's mobile number as the locator or URL. Here is a 90-sec video on the service. <https://www.youtube.com/watch?v=3GybaPF1T0>

WHAT IS VALUE TO CUSTOMERS? This simple process provides a landing page for your customer's content. Documents can include images and links. **ZPAGE** is a major value for your customers and they can use the URL link in advertisements and other marketing material..

WHAT IS THE OPPORTUNITY?

You can offer this upload option as part of any normal business service or order. The customer would pay you a 1-time service fee to upload content which takes minutes. Nothing to install - all software is stored in the cloud and managed by **ZPAGE**.

WHAT IS REVENUE POTENTIAL? The business model is very simple, there is only a 1-time charge for the service.

- List price to charge your customers is a 1-time fee of \$100.00.
- There are no monthly charges or hosting fees.
- All processing, support, maintenance and storage is included for a 1-time cost of \$50.00.
- You would be charged this 1-time fee ONLY when you register a new phone number and complete the initial upload - profit margin is 50%.
- Any charges for content creation, edits and future uploads are kept 100% by you.

WHAT ARE SOME EXAMPLES? To see some examples:

- Go to <http://ZPAGE.CO> and use phone number +16505616030 in the entry box.
- Or use it in the URL syntax <http://zpage.co/1/6505616030>
- And then try with a suffix: <http://zpage.co/1/6505616030/zpage>
- And <http://zpage.co/1/6505616030/examples>
