## GET NEW REVENUE BY ADDING A ZPAGE LINK TO ANY CUSTOMER ORDER

### ZPAGE IS A POWERFUL SYSTEM GIVES YOUR CUSTOMER AN ONLINE PAGE IN MINUTES

It takes any content from your shop's computer and instantly posts it online, and then sets your customer's mobile phone number as the locator or URL.

- A simple 3-step online posting process takes minutes.
- The user's mobile phone number is the only information needed.
- There is no registration, no account creation, no email, or personal information required.

### OPPORTUNITY TO ADD UPLOAD OPTION AS PART OF ANY NORMAL BUSINESS ORDER

Your customer would pay you to activate/upload content which takes minutes.

- Nothing for you to install - all software is stored in the cloud and managed by ZPAGE.
- Opportunity to offer a valuable and speedy service to your clients.
- Generate immediate revenue for your shop.

### PROVIDING AN INSTANT ONLINE PAGE IS A GREAT SERVICE FOR YOUR CUSTOMERS

The majority of small businesses and solopreneurs already use their mobile phones for business:

- They put their mobile number on their Craigslist and newspaper ad.
- They advertise it on their flyers and posters.
- They use voicemail and text messaging to communicate with customers.

Now, with [ZPAGE.co](http://ZPAGE.co) and your help they will have a *valuable online landing page*. Their customers will be able to see business profiles/ CV, special offers, testimonials, schedules, services, pricing etc. in minutes.

**NEW REVENUE** – you can charge \$99.00 to activate your customers' landing page.

**YOUR COSTS** - 1-time charge of \$49.00 for all processing, support, and ongoing hosting.

**FUTURE REVENUE** – after initial posting, you keep 100% of what you charge for future updates .

**OTHER BENEFITS:** ZPAGE would refer any customer looking for an instant landing page to your shop.
