

MONITA BAKING INDUSTRIES

MONITA BAKING INDUSTRIES

Food, fashion and friends have always occupied the centre of human life. In the pursuit of pleasure man always looks for the things that satiate not only the appetite but the things that taste and tender the tongue too. The quest always ends at the mouth watering delicacies. In this hunt of man for taste and full-bloom aromatic appetite charging we have added one more dimension of hygienic standards of the products that one devours with taste.

Cornet Cone
