

Vins au Verre - Wines by the glass

Our wine selections change frequently and are offered by the glass (15cl. / 5.5oz) half glass (9cl. / 3oz.) and half carafe (37cl. / 12.5oz)
Wines marked by a  are poured using the Coravin wine preservation system. Coravin allows us to pour wines without pulling the cork to insure freshness in every glass and allow us to pour premium wines without waste (not offered by carafe).
