The diagram shows a set of four parallel lines sloping downwards from left to right. The lines are drawn with different styles: a solid line, a dashed line, a dash-dot line, and another solid line. A black arrow points from the label '4d' at the top right towards these lines.

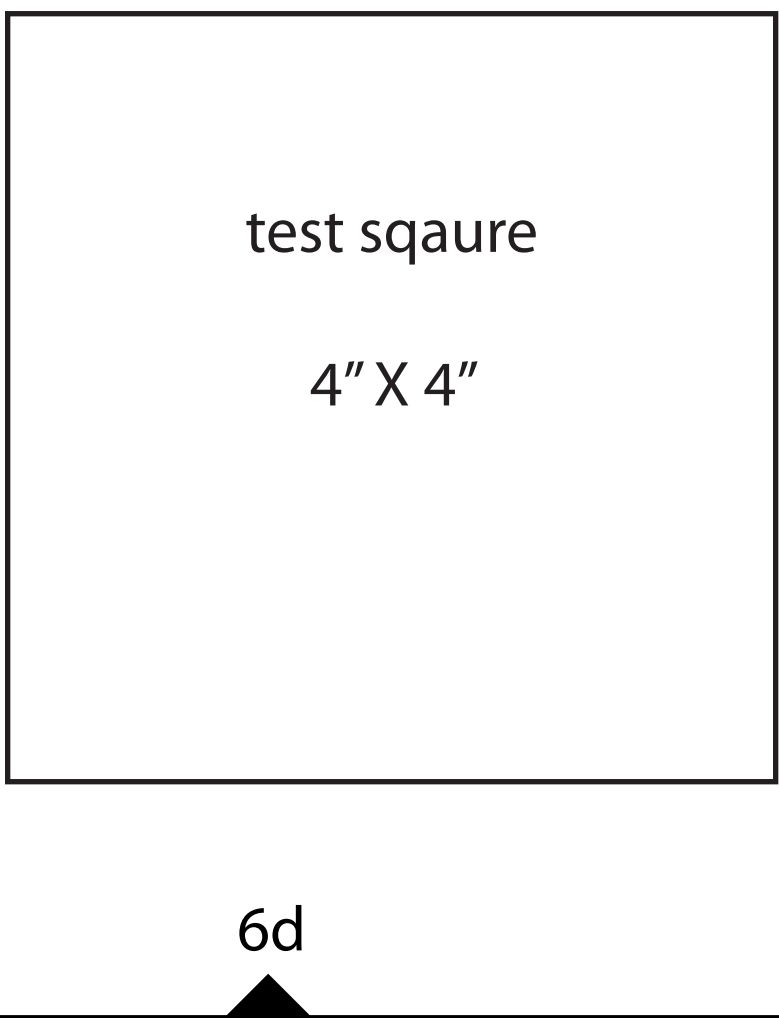

test sqaure

4" X 4"

5c

The diagram shows a square with a solid black border. A black arrow points from the label '5c' on the left towards the bottom-left corner of the square.

6d

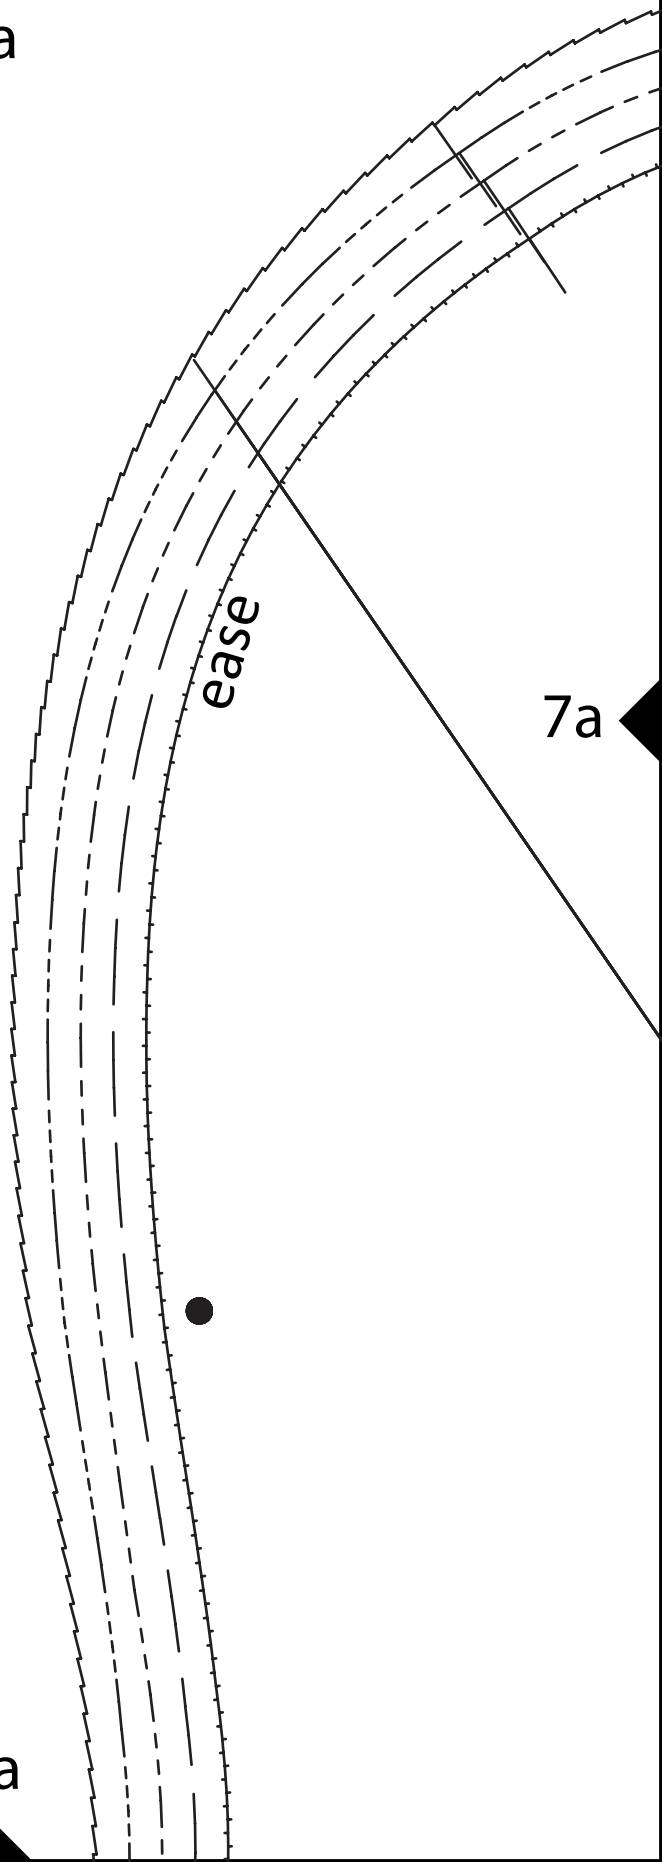

The diagram shows a square with a solid black border. A black arrow points from the label '6d' at the bottom towards the bottom edge of the square.
