

“Lead, Follow, Or...”

Acts 6:1-7 | PASTOR TED HARRIS | June 28, 2026

As we continue our journey through the book of the Acts of the Apostles, we have reached a point where the church continues to experience growth and with that problems begin to arise. What are the underlying principles that we can glean from the situation facing the church in these verses.

Lesson 1 – Churches aren’t perfect.

Lesson 2 – The Principle of Leadership.

Leaders do what only leaders can do and delegate to capable, character filled others.

“If serving is beneath you, leading is beyond you.”

Lesson 3 – The Principle of Followership.

Ephesians 2:10, “For we are God’s workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.”
