

PRAYER LIFE

COLOSSIANS 4:2-5 – SETH VAUGHT – MAY 28, 2017

"Perhaps one reason God delays his answers to our prayers is because he knows we need to be with him far more than we need the things we ask of him." – Ben Patterson

Prayer is how God works on you:

1. Prayer internalizes the burden
2. Prayer forces us to wait
3. Prayer opens our spiritual eyes
4. It aligns our heart with God's heart
5. Prayer enables us to move forward

We must remember to pray.

"Prayerlessness is the worst sin because it bespeaks as nothing else does, that root of all sin. *'for although they knew God, they neither glorified him as God nor gave thanks to him'*" (Romans 1:21). – P.T. Forsythe, a Scottish theologian
