248 Bel	Nooma: Corner	Bell, Rob	DVD has content for one stand-alone session. Why is it that often when we get what we want, we still feel empty? We work so hard to succeed, but our lives just end up becoming more about us. Can success turn on us? Can we get caught up in a smaller world where our lives are all about the things that we want? Or is there another way to live? Where life is about more than just us. Where we see people in need and we do something about it. Where our world is expanding because we are sharing our success. And maybe in attempting to save someone else from their suffering, we find out that we are actually the ones being saved.
248 Bel	Nooma: Flame	Bell, Rob	DVD has content for one stand-alone session. What's up with the word "love"? It doesn't have much meaning when we use it so loosely. God created love, and wants us to feel it all in the way it's meant to be felt.

But what if there's more to prayer than just God listening and answering? Maybe if we understood how Jesus prayed, our concepts and expectations of prayer would change.
248 Bel	Nooma: Store	Bell, Rob	DVD has content for one stand-alone session. For some of us, it feels like we're constantly on the brink of anger, where it doesn't take much to get angry about anything. And this kind of anger can be seen everywhere we go. But what is really at its root? Anger is often looked at as a bad thing, but are there things actually worth getting angry about? Maybe if we had a better understanding of our anger and where it comes from, we can learn how to channel it toward something constructive--something that's bigger than ourselves.
248 Bel	Nooma: Today	Bell, Rob	DVD has content for one stand-alone session. Some of us have come to believe that our best days may actually be behind us. But if we're in some way hung up on the past, what does that mean for our lives now? If we're longing for the way things used to be, what does that really say about our understanding and appreciation of our lives today? Maybe we need to learn to embrace our past for what it is, in order to live our lives to the fullest, right here, right now.

248 Bel	Nooma: Whirlwind	Bell, Rob	DVD has content for one stand-alone session. A lot of us have gone through times in our lives that are difficult. During these times we want answers, we want to know why. But we don't always get the answers; sometimes we are left wondering. Maybe there are times we need to be released from having to have all the answers. And maybe it's when we're released that we are able to see there may be more going on here than we realize.
248 Bel	Nooma: You	Bell, Rob	DVD has content for one stand-alone session. Some of the central claims of the Christian faith are the source of many discussions and heated debates. Maybe some of our discussions would change significantly if we had more insight into the actual circumstances that surrounded the first people of the Christian movement--if we had a better understanding of the things they did in the context of the world they lived in. Maybe some of the claims of the Christian faith that we typically perceive to be unique aren't really that special at all. And at the the same time maybe we don't always put enough emphasis on the things that truly should matter in our lives.
248 Bel	Nooma: Bullhorn	Bell, Rob	DVD has material for one session. God loves everyone, so a Christian should too. In fact, Jesus said that the most important thing in life is to love God with everything we've got and love others the same way. But it's not always easy to love everyone around us, is it? Sometimes we strongly disagree with other people's political views, religious beliefs, behaviors, or something else, and it makes it hard to love them when we feel like we're right and they're very wrong. But Jesus doesn't separate loving God and loving others. So maybe the best way for us to show our love for God is actually by loving other people no matter how hard it sometimes is. Maybe it's the only way.
248 Bel	Nooma: Dust	Bell, Rob	DVD has one session. Believing in God is important, but what about God believing in us? Believing that we can actually be the kind of people we were meant to be. People of love, compassion, peace, forgiveness and hope. People who try to do the right thing all of the time. Who act on the endless opportunities around us every day for good, beauty, and truth. It's easy for us to sometimes get down on ourselves. To feel "not good enough" or feel like we don't have what it takes. But maybe if we had more insight into the culture that Jesus grew up on and some of the radical things he did, we'd understand the faith that God has in all of us.

For a lot of us it's a hard thing to fully understand it. If God is an infinite spirit with no shape or form, how can we possibly relate to that? And what about Jesus? He said he came to give everyone life in its fullest. He came to show us how to live.
