### Supplies:

Baby Lock serger  
4 Spools of Madeira Aerolock serger thread  
½ Yard of 54" wide fabric  
Hand sewing needle  
Scissors

### Instructions:

- 1) Set up and thread your Baby Lock serger for a four-thread stitch.
- 2) Cut one strip of fabric 18"x 54".

- 3) With right sides together fold the strip in half lengthwise and serge the strip of fabric into a tube.
- 4) Turn the tube right side out.
- 5) Place the open short ends right sides together using the seam for alignment.
- 6) Serge the short ends together, repositioning as you go to only catch a single layer of fabric from each end and leaving an opening, so the sewn seam can turn to the inside.
- 7) Using a hand needle whipstitch the opening closed.
- 8) Wear and enjoy!
- 9) NOTE: If using 45" wide fabric or for a longer scarf, cut two strips and serge one short end of each strip together connecting the two strips into one longer strip before serging it lengthwise.
