Instructions:

1. Place your stabilizer on the wrong side of the G Background piece. Stitch your cute floral pumpkin using the embroidery file and your coordinating thread.

Step 3:

3. Draw a diagonal line on the wrong side of 2 of the I background pieces. Place these two, right sides together with two B print pieces. Sew a 1/4" seam on the left and right sides of the marked line. Cut down the marked line and press towards the darker fabric. Trim the four half square triangles to 4 1/2" x 4 1/2".

Step 4:

4. Repeat with two more I background pieces and two C print pieces, to make four half square triangles. Trim the four half square triangles to 4 1/2" x 4 1/2".

Step 5:

5. Place an H background piece right sides together with an A print piece. Sew along the long side. Repeat to make three more sets for a total of four.

Step 6:

6. Assemble the center of the block as shown.

Step 7:

7. Draw a diagonal line on the wrong side of the F print pieces. Place the F pieces right sides together on each corner of the block, with the lines aligned as shown in Fig E. Sew on the marked line, trim 1/4" away from the seam, and press open.
