## Supplies

Batting: 20" x 40"

Marking Tool

Ruler

Rotary cutter

Coordinating thread

1/4" quilting foot

NOTE: All seam allowances are 1/4". To achieve the correct seam allowance, use your Baby Lock 1/4" quilting foot. When stitching, line up the raw edge of your fabric with the right side edge of the 1/4" foot, and you will get an accurate seam allowance every time. Set your machine stitch length to 2.5. This will ensure your pieces are stitched securely.
