### **Summit County Probate Court** Additional mailing procedure due to Covid 19

(Summit County, Ohio - October, 2020) – To insure continued good service during the continuing Covid health crisis, Summit County Probate Court is slightly modifying its mailing procedure. Due to civil rules of procedure, the Probate Court must send certain actions via certified mail.

It has come to our attention that due to increased health risks, the United States Postal Service is temporarily modifying customer signature capture procedures. In many cases, carriers are leaving the item in the mail receptacle or appropriate location by the customer door. The Postal worker is writing “COVID-19” on the proof of service in place of the signature.

If a proof of service marked “Covid 19” is returned to the Summit County Probate the original paperwork will be duplicated and resent by regular mail. Any cost will be assessed to the case.

Any question on this procedure can be directed to the court at 330 643-2350.
