Fee is waived

Summary of Regulations

1. Attorneys who are panelists of the LRIS agree to provide a thirty (30) minute consultation, at no additional cost to the client beyond the thirty dollars (\$30) that may be paid by the client to the Akron Bar Association (the Bar) when the referral is made. At the time of the consultation, the attorney should execute the Acknowledgment of Understanding form and fee agreement. Fees may not be increased to account for the Bar's percentage.
2. Attorney-panelists must remit to the Bar fifteen percent (15%) of all fees earned and collected from the referred client over the first two-hundred dollars (\$200) within ten (10) days of the fees being earned. Percentage fees are to be remitted to the Bar from the operating account after the attorney's fee is transferred from the IOLTA account.
3. Attorney-panelists must reply within thirty (30) days to all requests from the Bar for fees, case updates, and insurance information.
4. Attorney-panelists must keep accurate records of referred cases.
5. Attorney-panelists must maintain valid professional liability insurance, comply with experience and CLE requirements, and be in good standing with the Ohio Supreme Court and the Akron Bar Association.
6. Attorney-panelists must comply with any and all prescriptions of the LRIS Code of Regulations, which is available on request at the Bar office or at www.akronbar.org.
7. Attorney-panelists must provide to the Bar notice of any grievance filed against the attorney, whether by a referred client or any other client, and must comply with the policy of the Fee Arbitration Committee in the event a fee dispute arises.

Professional Conduct Rules Disclosure

By completing and signing this application form, the undersigned hereby certifies that the information and representations contained within my Lawyer Referral Service Membership Application are accurate. Pursuant to Rule XVI of the Supreme Court Rules for the Government of the Bar, I hereby waive the right to privacy granted pursuant to Gov. Bar R. V, Section 8(A)(1) to the extent necessary to permit the LRIS to be informed or inquire as to the existence of any grievance proceeding against me. I further understand that I shall provide written notice to the Lawyer Referral Service of any grievance filed or brought against the undersigned. In joining the LRIS, I understand that I must use a fee agreement with my referred clients and the Acknowledgement of Understanding form as prescribed by the Supreme Court.

Attorney Certification

I, _____ hereby certify that I am in good standing with the Ohio Supreme Court and the Akron Bar Association and agree to participate in the Lawyer Referral & Information Service ("LRIS").

I certify that I carry malpractice insurance issued by (company) _____ covering the areas I have selected, Policy No. _____ with coverage provided from (dates) _____ to _____. I further agree to hold harmless from any claim, any member, officer, committee member, or staff member of the Bar, from any liability in connection with a referral. I have provided to the LRIS, along with this application, a copy of that portion of my malpractice application which verifies coverage in my areas of legal practice.

In the event LRIS requires additional information concerning my qualifications, I will furnish it by separate letter which, at my request, will be kept confidential. I consent that my name be classified at the discretion of the LRIS Committee or withdrawn from classification at any time, provided that I may withdraw it at any time upon written notice to the LRIS.

I agree to furnish a one-half hour consultation for any client whom I have been notified is being referred to me by the LRIS. If further consultation or legal service is required, I will make a written fee agreement in advance with the referral client concerning the amount of the fee to be paid by the client. On any referral which generates a fee of over \$200.00, I agree to remit 15% of the amount of the fee which I receive that is in excess of \$200.00 to the Akron Bar Association LRIS within ten (10) working days of receiving the fee. I specifically agree that I will not raise the fee I charge to the client above those I normally

charge for the same or similar services to offset the fee which I pay to the LRIS. I agree to disclose this fee arrangement with the client within the written fee agreement if I accept a case referred by the LRIS. If co-counsel is engaged, the co-counsel attorney will abide by the percentage fee arrangement, or I will be responsible for the entire fee generated in the engagement.

I further agree that I will keep accurate records of all cases sent from the LRIS to me and properly respond to inquiries by the LRIS office, written or oral, regarding any referrals sent to me. I agree that I will promptly remit all consultation fees and percentage fees to the LRIS. I understand that the brokering of clients or cases referred by the LRIS to me is not permitted under any circumstances. I agree that I will provide each client with a signed copy of the fee agreement which we enter into, along with a signed copy of the Acknowledgement of Understanding form sent to me by the LRIS. Upon request, I will also provide the LRIS office with a signed copy of the Acknowledgment of Understanding Form.

I understand that if a dispute develops between me and the LRIS regarding the amount of the percentage fee to be remitted to the LRIS for any case, that the fee dispute will be referred to mandatory and binding arbitration as conducted by the Fee Arbitration Committee of the Akron Bar Association. I understand and agree that I am waiving my right to a trial by jury regarding any such fee dispute which may develop between myself (the lawyer) and the LRIS. I further understand and agree that if a dispute should develop between me and the client regarding payment of the attorney fee, I will notify the LRIS in writing of such dispute. The fee dispute will then be turned over to the Fee Arbitration Committee of the Akron Bar Association. If the fee dispute cannot be resolved by the Fee Arbitration Committee, then I understand and agree that I may pursue individual collection action or efforts against the client, pursuant to the Code of Regulations for LRIS.

I understand and agree that violation of any of the above-stated rules may result in my removal from the LRIS. I agree that I have read the terms of the Akron Bar Association Code of Regulations of the Lawyer Referral Service and agree to be bound by said terms. I understand and agree that violation of any prescription of the Code of Regulations of the Lawyer Referral Service of the Akron Bar Association may also result in my removal from the LRIS, as further described in the Code of Regulations.
