

PATRICIA A. TOTH  
DRUG TESTING COORDINATOR  
ORIANA HOUSE, INC.

Patty Toth began her career at Oriana House in 1988. Patty was involved in creating the drug testing policies and procedures to begin On-site drug testing for the Agency. On-site testing began in 1989. Patty received her BS in Criminal Justice/Political Science in 1987. She has been certified to conduct drug screening for the past 30 years.

The Lab participates in quarterly proficiency testing provided by AAB (American Association of Bioanalysts) and has received a 100% score since 1997. The Lab is CLIA Certified (Clinical Lab Improvement Act) since 2003. This entails a periodic inspection by a CLIA inspector to assess compliance with federal standards to ensure quality testing services. The lab processes over 120,000 specimens a year.
