

A message from The University of Akron School of Law:

The Akron Law Career Services Office is busy planning for Fall 2020 and needs your help! We would like to offer law students the opportunity to practice their interview skills by offering one-on-one mock interviews with local practitioners. Akron Law Career Services would like the mock interviews scheduled between **Sep. 8 - 30, 2020**, to help students prepare for both fall and spring interviews.

This year, attorneys will have the option to hold the mock interviews at their office/company or virtually on the video conferencing platform of the attorney's choice, day or evening, whichever works best for you. Akron Law Career Services is asking those who are willing to conduct interviews to interview each student for 20-30 minutes and then offer 15 minutes or so of honest feedback. Please conduct it like you would a real job interview. Each interviewer can sign up to conduct one, two, or more interviews, as your schedule permits.

If you would like to participate in these mock interviews, please utilize this [link](#) to register for your preferred days and times by **Aug. 14, 2020**. Following the registration deadline, Alecia will circulate the information to the students who will sign up for the dates and times that work best for them. Prior to your interview(s), you will receive a copy of your interviewee's resume and a list of frequently asked questions.

If you have any questions contact **Alecia Bencze**, Assistant Director of Career Services. You may contact Alecia at anb77@uakron.edu or by telephone at **(330) 972-7876**.

Please note that you do not have to be an Akron Law alumnus to participate! Additionally, this is also open to our Cleveland-based lawyers as some students live "up north."

On behalf of Akron Law Career Services and the law students, thank you warmly for your consideration!
