# Alaska Association for Justice 2020 New Membership & Information for Website & TrialSmith

## **AKAJ MEMBERSHIP ELIGIBILITY REQUIREMENTS**

Any person who is licensed to practice law in any country, state or jurisdiction, who is of good moral character, is engaged in any field or phase of advocacy, who represents plaintiffs in personal injury cases and is committed to the concept of a fair trial, the adversary system, and a just result for the injured, the accused, and those whose rights may be jeopardized is eligible for membership in the Alaska Association for Justice. No one is eligible, however, who engages to represent defendants in personal injury litigation or who is associated with a firm which, more than 10% of the time, represents the defense in personal injury litigation. Persons engaged in criminal prosecution are not eligible for membership.

**I certify that I meet the above eligibility criteria, have read and will comply with the AKAJ List Server terms of use. (See website for full text List Server terms of use)**

### **List Servers:**

**akaj@lists.trialsmith.com:** This List Server is for general membership use. It is a two-way list – that is, you can both read and post messages. All members belong to this list.

**akajnews@lists.trialsmith.com:** This is the List Server the Exec. Director uses to post messages to the general membership. This is a one-way list – that is, only the Executive Director can post messages to this list, and only she sees the responses. All members belong to this list.

**akajplaintiffonly@lists.trialsmith.com:** This List Server is limited to members who are engaged in the practice of representing only plaintiffs in personal injury cases. See certification box below.

**Eclips:** This daily newsletter delivers the day’s top news affecting the plaintiff bar and is sent directly to your email box.

**NOTE:** You may choose to subscribe to or be removed from any list at any time with the exception of the Plaintiff Only List and the Exec. Dir. List. Please indicate your preference by circling the list(s) you would like to receive. If you do not specify a list, you will be subscribed to all lists for which you are eligible.

### **PLAINTIFF’S ONLY LIST SERVER ELIGIBILITY REQUIREMENT**

*Membership on Plaintiff’s Only List Server is subject to approval by the AKAJ Executive Committee*

Any member in good standing of the Alaska Association for Justice who represents plaintiffs in personal injury cases is eligible to participate in the Plaintiff’s Only List Server. No one is eligible who engages or represents any defendant in any personal injury litigation, or who is associated with a firm that represents any defendant in any personal injury litigation. The only exception is that if a person is CHI counsel, they can make application to the Board for eligibility on the Plaintiff’s Only Listserve. I certify that I meet this eligibility criteria and that if at any time I no longer meet this criteria, I will immediately notify the Executive Director of the Alaska Association for Justice. I further certify that I will not forward any E-Mail messages from the Plaintiffs Only List Server to any person not a member of said List Server.
