

BAMSL lends hand to Mathews-Dickey

A diverse gathering of 60 educators, legal representatives and other concerned citizens convened at the Bar Center on November 13 for the purpose of learning about and supporting the Mathews-Dickey Inaugural Friends Club Campaign. The reception, chaired by Hazelwood School District Superintendent Dr. Grayling Tobias and Eckenrode Maupin attorney Renée M. Sullivan, is an enhancement of the Club's comprehensive development efforts.

Sullivan, a YLD board member, highlighted her efforts to involve members of the legal and medical communities in working with youth in the summer camp. Tobias then cited the Club's impact on his life as a young alumnus and belief in the importance of positive interventions to keep children on the right path.

The reception began by discussing the "It's Better to Educate than to Incarcerate" initiative to educate youth on the front end to prevent them from falling through the cracks on the back end. Mathews-Dickey President, CEO & Co-Founder Dr. Martin Luther Mathews introduced two of the Club's "It's Better to Educate Than to Incarcerate" Youth Ambassadors James and Virgil Fuller. The young men highlighted the impact of the Club's programs in making a difference in their educational and leadership skills.

Bryan Cave lawyers do buildable hours

Habitat for Humanity Saint Louis recently launched Buildable Hours, a program which provides professional service firms the opportunity to interact and engage their prospective and current clients, partners, associates and staff through the construction of homes for local St. Louis families. Bryan Cave was the first professional services firm to schedule a Buildable Hours Build on November 1.
