

NOTICE OF CREDIT CARD **SERVICE FEE**

Commencing April 1, 2021, and due to continuing budgetary concerns, the Unified Court System will no longer pay the service fee for credit card transactions initiated by court users. Consequently, **a service fee of 2.99% of the payment amount will be assessed on all credit card payments submitted through NYSCEF.**

Note that neither the Office of Court Administration nor the Unified Court System receives any portion of the service fee.

When you file electronically and use a credit card, there will be two transaction numbers generated, one for the court fee and one for the service fee.

The Court System is continuing to explore other technologies for electronic payments that minimize processing fees.
