Reconsideration vote abandoned

Malpractice insurance reform sent to governor

SACRAMENTO (UPI) — A major reform bill destined to hold down the soaring cost of malpractice insurance... The action came a day after the proposal was approved by the Assembly 37-20 but its transmission to Brown Jr. was blocked by a motion by supporters of Assembly Speaker Leo T. McCarthy to have the vote reconsidered.

Lawyers to challenge malpractice measure

PASADENA (UPI) — The president of the California Trial Lawyers Association Tuesday said medical malpractice legislation now in the Legislature will be challenged in the courts as unconstitutional if it becomes law. Elmer Low of Pasadena, head of the 510 member group, said the bill would "unequal protection of the law" to victims of medical malpractice.

Bess Shipstad found drowned

CATHEDRAL CITY (UPI) — Bess Shipstad, former professional ice skater and former wife of the founder of the Ice Palms, was found dead in her swimming pool, the Riverside County Coroner's Office reported Tuesday.

Lockheed won't bribe officials

BURBANK (UPI) — Lockheed Aircraft Corp. stung by a bribery scandal, said Tuesday that it will apply U.S. laws to overseas sales transactions, refusing to make payments to foreign government officials if such payments would be illegal in the United States.

To meet with Gromyko Kissinger says several SALT issues unresolved

WASHINGTON (UPI) — Secretary of State Henry A. Kissinger says "two to three issues of great importance" still must be solved before President Ford and Soviet leader Leonid Brezhnev can conclude a new strategic arms accord later this year.

Ice may trap North Slope supply boats

PRUDHOE BAY, Alaska (UPI) — Winter ice is forming in the narrow passage from Point Barrow to the old-rich North Slope area, threatening to trap nine tugboats and 30 barges with 22,000 tons of long-awaited construction equipment.
