## CAOC Statement on Inauguration of President Biden, Vice President Harris

**SACRAMENTO (January 20, 2021)** – Leaders of Consumer Attorneys of California (CAOC) congratulated President Joe Biden and Vice President Kamala Harris on their inauguration day. CAOC President Deborah Chang released the following statement:

“America can finally breathe a sigh of relief, now that the Constitution and the rule of law have prevailed over hate, division, and lies.

“The inauguration of President Joe Biden and Vice President Kamala Harris symbolizes a new day for our nation, when we can turn our collective focus from vitriol and insurrection to overcoming the greatest challenges of our time: the COVID-19 pandemic, racial injustice, social and economic inequities, and the protection of consumer rights.

“As California’s former Attorney General, Vice President Harris knows what it means to hold bad actors accountable and seek justice for those who have been wronged. CAOC looks forward to working closely with the Vice President from California as we continue to advocate on behalf of consumers facing wealthy and powerful foes and fight to secure the funding needed to make sure every Californian has access to justice through the court system.”
