**California Applicants' Attorneys Association (CAAA) Welcomes Governor's
New DWC Administrative Director Appointee**

The California Applicants' Attorneys Association (CAAA), whose members represent Californians injured while doing their jobs, today welcomed Governor Brown's appointee as Administrative Director (AD) of the Division of Workers' Compensation (DWC), Rosa Moran:

"CAAA is pleased that the governor has appointed a new Administrative Director," said Adam Dombchik, CAAA legislative chair. "We are glad that the DWC will have a new, full-time AD, as there is work to be done in the DWC. We look forward to working with AD Moran and the DWC and the Department of Industrial Relations to continue to improve the system for workers and employers."
