

STAND UP AGAINST UBER.  
SUPPORT EMPLOYEE RIGHTS.

**Uber is funding Prop 22 to exempt itself from providing legally required benefits that every California employee is entitled to.**

**Uber wants to create a new employment classification for its drivers so it wouldn't have to pay for standard benefits and protections that businesses must provide employees, including:**

- **Unemployment Insurance**
- **Minimum Wage**
- **Overtime**
- **Social Security**
- **Workers' Compensation**

STAND UP FOR APP-BASED DRIVERS.
