### QUALIFICATIONS SUMMARY

Result-driven, Spanish-speaking attorney devoted to serving client needs. Consummate legal writing, research, communications, analytical, and problem-solving skills while making clients feel welcome, valued, and understood. Adept at distilling complex issues which promotes client understanding and simplified action planning. A leader, trusted advisor, and team-builder with specialized expertise, who collaborates well with others to achieve lasting results.

### PERFORMANCE HIGHLIGHTS

- Certified, trained divorce/custody mediator and parenting coordinator. Resolved multiple custody cases as a Chester County court-appointed mediator.
- A client-centered, compassionate attorney focused on creative solutions to achieve client goals, promoting justice, and positive outcomes.
- An energetic and committed professional who strives for maintaining client satisfaction in family law, general/civil litigation, mediation, and family-based immigration.
- Presented on collaborative law concepts at Chester County Spring Bench Bar CLE program.
- Presented Parenting Coordination CLE for Chester County Bar Association Family Law Section.
- Initiated, negotiated, and drafted agreements to resolve a variety of domestic disputes.
- Demonstrated superlative writing and research skills in drafting legal documents, motions, briefs, and memoranda in federal and state trial and appellate courts.
- Prevailed on behalf of client at oral argument with respect to standing in custody case; case dismissed.
- Successfully litigated and tried complex contempt and enforcement of prenuptial agreement matter to obtain judgment for client.
- Advocated for and represented client at Protection from Abuse hearing and prevailed with the matter being dismissed in favor of client wrongfully accused.
- Served as legal advocate for domestic violence victims, providing court accompaniment to criminal and protection from abuse hearings, often collaborating with district attorneys.
- Played central leadership role as Board Chair for Maternal and Child Health Consortium, making strategic decisions impacting future Agency growth, while leading the Agency through critical transition.
