JUDICIAL PLEBISCITE RESULTS

In November 2019, the voters of Chester County will elect two new Judges for the Court of Common Pleas of Chester County. As required by the bylaws of our association, the Chester County Bar Association conducted a Judicial Evaluation Plebiscite among its members. The members of the Chester County Bar Association were requested to rate the various judicial candidates seeking election as “Qualified” or “Not Presently Qualified” (or to indicate “No Opinion”).

The Bar Association's Judicial Evaluation Committee sent out ballots to nine hundred and twenty-two (922) Association members, and received three hundred forty-three (343) valid ballots. Under the Association's Bylaws, a candidate shall be considered as “Qualified” if he or she receives “Qualified” votes from a majority (173) of those voting provided that at least 25% of the members eligible to vote have voted. A candidate shall be considered as “Not Presently Qualified” if he or she receives “Not Presently Qualified” votes from a majority (173) of those voting provided that at least 25% of the members eligible to vote have voted. A “No Opinion” ballot shall not be considered as a vote for these purposes.
