I have been a member of the Colorado Trial Lawyers Association for over 20 years. CTLA has helped me grow as a professional and has benefited my clients. I would be very honored to be elected to the board of CTLA and have an opportunity to become more involved with this organization and give back to CTLA with my time and talents. I am an EAGLE donor and will continue to support CTLA and its excellent work and values through the EAGLE program, as will my law firm Tomazin Hillyard & Clor, LLP. We have supported the Spring Dinner and the 1st CTLA Women's Leadership Summit. Last year I was honored to be a speaker at our CTLA convention in Snowmass. I am active in CTLA Women's Trial Lawyer Network and have truly enjoyed getting to know its members better and share with them case support, encouragement, practice tips, and comradery.

As a registered nurse, I advocated for my patients at the bedside and now I am very grateful that as a Trial Lawyer I have the privilege of advocating on behalf of injured plaintiffs. I have been practicing law representing Plaintiffs since 1993. My practice primarily focuses personal injury, medical malpractice, and wrongful death cases. I am honored to have earned a nomination by the CTLA Nominating Committee, and I would be honored and grateful to have your vote. Thank you for your consideration.

My passion is sticking up for people that have been injured by no fault of their own. I have had the honor of representing **people who are the most deserving of compensation and whom would never have access to the courts but for plaintiffs' lawyers and CTLA. CTLA is the most important organization to which I belong. CTLA's lobbying efforts are critical to trying to even the playing field for injured victims. And, CTLA's continuing education programs, list serve, and networking opportunities are important to my practice and to personal injury lawyers across the state. I am proud to call many CTLA members close friends.**

Concerning my CTLA involvement, I am currently a Board Member and am honored to serve on the Legislative Committee. I have **participated in numerous legislative events with CTLA's lobbyists including testifying to the Colorado General Assembly's Health and Human Services Committee. I have lectured in several CTLA CLE seminars**, including the annual Convention and Blockbuster. I am an active EAGLE contributor. Indeed, when my partner, Lorraine Parker, and I started our new law firm in 2013 we made a contribution to EAGLE before we even paid ourselves.

I would greatly appreciate the opportunity to serve another 2 year term for the CTLA Board. I am a personal injury attorney at the Gold Law Firm, who in addition to traditional car accident and premises liability cases focuses on representing victims of sexual assault and other crimes seek justice in the civil system. I would like to better connect victim service organizations with CTLA to work towards better serving victims and seek tort reform. This year I helped get the Civil Rape Shield bill passed into law. I also proposed a bill to extend the statute of limitations for any civil action **involving domestic violence from one year to six years. The bill is at the governor's desk right now and we are hopeful it will pass.** I would like to use this momentum and good will to remove caps and/or include treble damages in civil cases. Additionally, I have been grateful to have the opportunity to be involved with the education committee and present at blockbuster and the conference, on investigation and CORA requests. I am also involved in the theater community and greatly enjoyed hosting improv for trial lawyers classes. Thank you for your consideration.

I have been a member of CTLA since 1977. I have been on the Board of Directors since 2004. I have enjoyed my service on the Board. I am honored to have been nominated to continue to serve for another term on the Board. I am requesting your vote so that I may continue to serve our members, our clients and CTLA.

I have been an active member. I have and continue to be a long-time Eagle member. I have and continue to be a speaker at CTLA seminars and the Annual Convention. I have and continue to be a sponsor of many CTLA functions including the Friday Night Party at the Annual Convention and young or new lawyers social gatherings. I have and continue to support candidates for public office who have demonstrated a willingness to help injured individuals. I have and continue to be an active participant on the CTLA List Serve.

I have been given many opportunities in the past to learn and grow professionally from CTLA members and mentors who helped me in my legal career. I believe it is my responsibility as well as my desire to help as many as I can to be the best they can be as professionals to help their clients and CTLA.

One of the ways I can help is to continue to serve on the Board of Directors to help guide our organization and our members. Thank you for your consideration.

I am honored to be nominated for a CTLA Board position. There are so many reasons why I have chosen to dedicate time to CTLA and to the causes it supports, but let me focus on one: Doing Good. This is a simple and straight forward phrase, but to me it embodies so much of what we do as trial lawyers. From those of us who fight insurers to get justice for **accident victims, to those of us who battle governments to protect our clients' constitutional rights, to those of us who go up against multi-national companies to get our clients a living wage, we are all Doing Good.**

I have been lucky to serve as the Co-Chair of the Employment Law Section, write articles for Trial Talk, and present **at several CTLA events. I would greatly appreciate the opportunity to sit on the organization's Board as well.**

Thank you for your consideration.

I am honored to receive a nomination for the CTLA Executive Board. I believe this will be a great opportunity for me as well as allow me to give back to the local law community. Since joining CTLA in 2014, I have enjoyed getting to know many of you. CTLA is a wonderful resource for both new and experienced lawyers. I graduated from the 2017 CTLA Bootcamp and found the experience invaluable.

I am a proud member of the Women's Caucus and an Eagle Contributor.

My goal as a member of the Board is to ensure CTLA continues to be one of the best bar associations around. It would be an honor to serve as a board member for the CTLA.
