Houston Bar Association
A Message from 2023 HBF Chair Monica Karuturi

I am proud to present this year’s Cornerstone: HBF Impact & Gratitude Report.

The Houston Bar Foundation was established in 1982 as the charitable arm of the Houston Bar Association. Since that time, the Foundation has supported programs that provide legal representation to the indigent, promote community understanding of our legal system, and foster the administration of justice.

A 501(c)(3) nonprofit corporation, the Houston Bar Foundation, while started on a shoestring, now has an investment fund standing at approximately $22 million. Regular contributions from individuals, including through our Fellows Program, law firms, companies, and other organizations, as well as the Kay Sim Endowment for Equal Access to Justice in Houston, all serve to advance the Foundation’s ultimate goal of becoming self-sustaining. We are closer than ever to that goal.

You will find in these pages that as the Foundation’s Board of Directors works to build and preserve the Foundation’s spending power, we have many accomplishments to celebrate over the past year and we are working even harder to broaden and deepen the impact our legal community can make to improve the lives of our fellow Houstonians. A few highlights are:

- The HBF’s and HBA’s 74th Annual Harvest Celebration in November raised a record-breaking amount of almost $1.1 million for Houston Volunteer Lawyers.
- I am happy to announce the launch of a $50,000 annual grant program, one of the first outcomes of the strategic planning process led by our board of directors this year. The first of the grants under this program was a $30,000 grant for the purchase of one of several lactation pods to be installed in the Harris County Court Complex. You can read more about this important access to justice initiative on page 29 of this program.
- I am also pleased and proud to announce CenterPoint Energy has gifted to the Foundation a one-time grant of $500,000 to assist self-represented litigants in Harris County. Learn more about this critical effort on page 30 of this program.
- And while we work to create new impact, long-standing HBA programs funded through the Foundation that make a difference for our Houston neighbors—including the HBA Eikenburg 8K Fun Run, Houston Habitat for Humanity Committee, and the annual Golf Tournament—all continue to go strong.
We could not have accomplished this important work without the dedication and generosity of you—our outstanding Fellows, board members, and volunteers. I express my deepest gratitude to you all for your commitment to the Foundation and its work to support access to justice for all Houstonians. I look forward to working alongside 2024 HBF Chair Linda Hester and the incoming board of directors as the Foundation and its impact continue to grow.

Sincerely,
Monica Karuturi
2023 HBF Chair
Our Fellows Program – THANK YOU

The Houston Bar Foundation’s (HBF) strength as the Houston Bar Association’s charitable arm is because of its Fellows. Our Fellows play a vital role to support our charitable programs and recipients in the Greater Houston area. Only members of the Houston Bar Association are eligible to become HBF Fellows.

While the HBF was founded specifically to support pro bono legal services provided through Houston Volunteer Lawyers (HVL), and HVL is the HBF’s primary beneficiary, Fellows funds are not restricted to HVL. Now is an exciting time to become a Fellow, as our Fellows play an important role to help the Foundation identify ways it can make meaningful local impact, to improve the lives of our Houston neighbors.

Welcome New Fellows

We are excited to announce the new Fellows under our current nomination campaign, led by the Nominating Committee co-chairs, Lauren Brogdon, Bryce Callahan, and Sara Keith. Please refer to the attached insert for the list of our new Fellows, or visit hba.org/foundation.

If you’re interested in becoming a Fellow of the Houston Bar Foundation, wish to nominate someone, or would like to increase your Fellowship level, please contact one of the Nominating Committee co-chairs or Ron Riojas, Membership & Technology Services Director, at ronr@hba.org.

The Harvest Celebration is the HBA and HBF’s major annual fundraising event in the fall, bringing together Houston’s diverse legal community to support essential pro bono legal services provided by Houston Volunteer Lawyers.

When you attend or sponsor the Harvest Celebration, you are directly supporting HVL’s work. 100% of the net proceeds from Harvest goes to HVL. Thanks to your incredible generosity, the 2023 Harvest Celebration raised a record-breaking amount of almost $1.1 million. Thank you to all of our generous sponsors and to everyone who attended in support of pro bono legal services and helping our Houston neighbors in need.

For many Houstonians living at or under the federal poverty guidelines, the ability to access help through our legal system can be the difference between having a safe place to sleep a night, a way to feed their children, or peace of mind that their family will be taken care of. HVL’s pro bono attorneys are not only carrying out their ethical duties as lawyers, they are also changing lives and helping members of the greater Houston community access justice.
Houston Volunteer Lawyers is the largest provider of pro bono legal services in Texas, giving thousands of Houstonians access to justice through its clinics and community partnerships. HVL provides legal aid through its clinics and community partnerships for families in crisis, evictions, veterans, consumer issues, and other civil legal problems, as well as empowers and supports lawyers to volunteer their services.

In 2023, HVL soared to new heights, thanks to the unwavering dedication of their esteemed partners. HVL extends their sincerest gratitude to the law firms that enthusiastically participated in their inaugural New Associate Boot Camp, where an inspiring 100% of new associates eagerly embraced the opportunity to serve their communities by taking on their first pro bono cases. Law firms with 100% participation include Bracewell LLP; Gibson, Dunn & Crutcher LLP; Haynes & Boone, LLP; Hunton Andrews Kurth LLP; Locke Lord LLP; and Norton Rose Fulbright.

Additionally, HVL expresses their deepest appreciation to the new law firms who joined them as Equal Access to Justice Champions and celebrate the law firms who have been Equal Access to Justice Champions since the beginning. These law firms pledge to take a certain number of pro bono cases every year based on the number of attorneys in their Houston office. New members include Archie Law PLLC; Elizabeth Pagel, Attorney at Law; Law Offices of Omonzui Imobioh; Limbaga Law; and Northum Law. Law firms who have been with HVL since the beginning and have consistently supported pro bono include Akin Gump Strauss Hauer & Feld LLP; Baker Botts L.L.P.; Bracewell LLP; Chamberlain Hrdlicka; Greenberg Traurig, LLP; Haynes and Boone, LLP; Hunton Andrews Kurth LLP; Jackson Walker; Locke Lord LLP; Morgan, Lewis & Bockius LLP; Norton Rose Fulbright; and Vinson & Elkins LLP.
Thank you to the 2023 Harvest Celebration underwriters for your support and for making a difference

James B. Sales
August 24, 1934 – February 11, 2023

Please turn to page 38 to learn more about the Foundation’s James B. Sales Pro Bono Leadership Award and this year’s winner, Texas Supreme Court Chief Justice Nathan L. Hecht.

On this page, we are proud to cheer on HVL and their “Recruit More Boots” campaign, which challenges legal professionals to actively recruit new pro bono volunteers, fostering a stronger, more connected community of legal advocates for those in need.

The first annual “Recruit More Boots” challenge, launched in February 2024, is in memory of James B. Sales and an homage to the James B. Sales Boots on the Ground Award, given by the Texas Access to Justice Commision each year to a legal professional services attorney or a pro bono attorney who is an exemplary advocate and who gives selflessly of their time and talent to provide legal help to those who have no voice.
Thank you to these firms and companies who have agreed to assume a leadership role in providing equal access to justice for all Harris County citizens. Each has made a commitment to provide representation in a certain number of cases through the Houston Volunteer Lawyers.

Kay Sim Endowment – THANK YOU

In 2019, the Houston Bar Foundation launched its campaign for the Kay Sim Endowment to Maintain Access to Justice in Houston. The purpose of the campaign was to ensure sustainability of annual funding by the Foundation for pro bono civil legal services in Houston through Houston Volunteer Lawyers.

The campaign honored Kay Sim, former Executive Director of the Houston Bar Association and Secretary of the Houston Bar Foundation, who dedicated her more than 40-year career to helping Houston lawyers and the people of Harris County. The Kay Sim Endowment Campaign raised approximately $1.7 million. As of June 30, 2023, approximately $1.2 million of the Foundation’s investment fund is restricted to the Kay Sim Endowment.

The Foundation thanks the campaign co-chairs and all who contributed generously to the Kay Sim Endowment.

New Foundation Grant Program

Under the leadership of 2023 HBF Chair Monica Karuturi, the Foundation engaged in a strategic planning process, in part to create a strategy for investment and spending consistent with the needs of the Foundation’s mission.

One of the first outcomes of those efforts was the launch of a new $50,000 annual grant program. This is separate from the annual grant to Houston Volunteer Lawyers and designed to broaden the Foundation’s impact, which is dedicated to the Houston community.

The first $30,000 of this grant will be used to purchase one of several lactation pods, which will be installed in the Harris County Court Complex. This is an important access to justice initiative led by HBA President Diana Gomez, Judge Latosha Lewis Payne, Judge R.K. Sandill, Judge Michael Gomez, and Judge Cheryl Elliott Thornton, as well as the Harris County Commissioners Court, led by Commissioner Lesley Briones. The HBA Gender Fairness Committee spearheaded efforts to fundraise for this initiative, and all of the past and current women presidents of the HBA and Houston Young Lawyers Association (HYLA) have joined in unanimous support.

The commitment to installation of increased lactation/wellness facilities in the Harris County Court Complex underscores the importance of women in the legal profession but also provides a welcoming and safe nursing environment for clients, judges, staff, and the millions of members of the general public served by the Harris County Court Complex every year.
Assistance Program for Self-Represented Litigants -
THANK YOU

Prior to the onset of COVID-19 in 2020, Houston Volunteer Lawyers provided direct and coordinated assistance to pro se litigants at the Harris County Courthouse and the Harris County Law Library. These services were critical in Harris County, where the number of pro se litigants far surpasses any other Texas county. HVL’s assistance was suspended at the start of the pandemic. There has not been sufficient resources to resume this programming—until now.

CenterPoint Energy has given HBF a generous $500,000 grant restricted to providing pro se litigant assistance. HBF has selected HVL to work with community stakeholders and lead the initial deployment of these funds. This is a trailblazing donation that will make a significant difference in the lives of thousands of Houstonians.

We extend our heartfelt gratitude to CenterPoint Energy and 2023 HBF Chair Monica Karuturi for making this watershed gift to the Foundation.
How the HBF and HBA Are Working Together to Make an Impact - THANK YOU

Here are just some of the ways our HBA members are making a difference in the Houston community through programming funded through HBF. We are very grateful for your support in helping us serve our Houston neighbors through these events.

Golf Tournament

The Golf Tournament is one of the HBA’s largest annual events supporting the Houston Bar Foundation. Whether you join us to play a few rounds with friends and colleagues or you sponsor the event, you’re helping support charitable services through HBF.

The race is named in honor of the late John J. Eikenburg, who during his presidency of the HBA in 1986, wanted the HBA to host an annual charity run for HBA membership to become more involved in the community. Now in its 39th year, the HBA 8k Eikenburg Fun Run benefits The Center for Pursuit, a nonprofit, United Way agency that provides employment, enrichment, residential, and health care services to individuals with intellectual and developmental disabilities (IDD) and autism in the Houston area. So far to date, the HBF has donated over $1.7 million through this annual event, including $76,900 raised in sponsorships and $54,387 donated to the Center for Pursuit in 2023.

Other Programs Funded Through the Houston Bar Foundation

HBA & HYLA Military & Veterans Committees Fire Team Relay

The Second Annual Fire Team Relay, co-hosted by the HBA and HYLA Military and Veterans committees, raised thousands of dollars for programs delivered through Combined Arms and veterans programs under the HBA/HBF/HVL Veterans Legal Initiative. It took place on Saturday, December 2, 2023, at Delmar Stadium. The HBA and HYLA worked closely together to ensure veterans were at the forefront of this event, with proceeds directly benefiting local veterans programs. Teams of four attorneys and law students competed in a “chow hall challenge”-style relay event, which included a 1.5 mile run, a 3-mile bike ride, an obstacle course, and a 1-mile weighted run.

HBA Law Day Poster, Photo, and Essay Contest Prizes

Law Day has been sponsored and promoted by the American Bar Association and the Houston Bar Association since 1958, when President Dwight Eisenhower designated it a national holiday. The HBA joins local and state bar associations nationwide in sponsoring activities surrounding May 1. While the HBA calls its celebration “Law Week,” it encompasses much more. The HBA and HBF sponsor an essay contest, poster contests, and photography contests where students interpret the theme of Law Day and submit their work to the Law Week Committee.
Harris County Court Administrators Continuing Education Grant

The Foundation has provided regular grants to underwrite education for Harris County court personnel that is related directly to the administration of justice.

HBA Lawyers for Literacy Committee Book Drives

The HBA Lawyers for Literacy Committee holds book drives every year to accept new and gently used children’s books, as well as hardback fiction. Donations are given to local organizations serving children and veterans.

Campaign to End Homelessness and Hunger Committee

The HBA Campaign to End Homelessness and Hunger Committee regularly hosts volunteering events at the Houston Food Bank to help inspect, sort, and repackage donated food for community distribution. The committee also hosts its annual Veteran Holiday Gift Bag Project, where our legal community comes together to donate, pack, and deliver gifts to Houston area homeless veterans.

Houston Bar Foundation Awards

Outstanding Contribution to the Dispute Resolution Center
Heather Davis’ generous dedication and wholehearted support of the DRC are invaluable and exemplary, as evidenced by her achievement of mediating 22 cases, which was more than any other volunteer last year. When the call goes out for volunteers, Heather Davis can always be relied on to mediate and settle DRC’s most challenging cases. Her experience in business, human resources, accounting and finance, and employment and family law has served her well in successfully resolving a high percentage of lawsuits.

Longevity of Exemplary Service to the Dispute Resolution Center
As a mediator for the DRC since 2010, Ernest Martin has attained this well-deserved recognition as one of the Center's most longstanding and dedicated volunteers. He has mediated primarily for the DRC’s Family Program and also for the justice court's animal abuse cases. According to DRC staff, "Ernie is always ready to help when needed most." Mr. Martin is a shining example of how one person's skills, devotion, and empathy can have a lasting impact.

Outstanding Legal Article in The Houston Lawyer
Nikki Morris is the recipient of this year’s award recognizing an outstanding legal article in The Houston Lawyer. Her article, “"Becoming a New Mom is Hard-But Law Firms Don't Have to Make It Harder,” detailed best practices firms can employ to both support new moms and help retained talented lawyers.

The Foundation would like to thank Dean Michael F. Barry of South Texas College of Law Houston, Dean Leonard M. Baynes of the University of Houston Law Center, and Interim Dean Okezie Chukwumerije of Thurgood Marshall School of Law for serving as the selection committee.

Corporate Law Department – Shell USA, Inc.

Shell has been a longtime advocate of pro bono in the greater Houston area and they have been an Equal Access to Justice Champion since 2013. In 2023, they had 23 active cases, including several guardianship cases from HVL’s Medical-Legal Partnership with Texas Children’s Hospital. Shell has provided a diverse range of pro bono support in addition to taking on cases for full representation. They have dedicated time and resources to supporting veterans through HVL’s legal advice clinic. In 2023, Shell partnered with HVL and the University of Houston to donate 44 hours of legal advice in support of veterans in need. Additionally, Shell has hosted a yearly wills clinic every fall, providing peace of mind and comfort to low-income members of our community by assisting with estate planning packets and end of life preparation.

Large Law Firm – Bracewell LLP

Bracewell LLP has been a strong pro bono partner to HVL for many years, being one of the first to commit to becoming an Equal Access to Justice Champion in 2007 and recommitting each year since. In 2023, Bracewell attorneys worked on 57 unique client matters and provided another 56 hours of legal advice and counsel to veterans at Friday Veterans Legal Clinics at the VA Hospital. Bracewell also sets an example for new associates each year on the importance of integrating pro bono into their legal career. Last fall, Bracewell hosted HVL for a 2023 New Associates Training. Following the training, every new associate accepted an HVL case for which they partnered with a more seasoned Bracewell attorney to provide pro bono legal services.

Mid-Size Law Firm – Winston & Strawn LLP

Winston & Strawn LLP first committed to becoming an Equal Access to Justice Champion in 2015 and has not slowed down in its support of providing pro bono legal services to individuals in Harris County since. In 2023, attorneys at Winston & Strawn accepted 19 pro bono cases, including five guardianship cases, with most of those clients being non-English speakers. Guardianship cases are one of the highest needs at HVL, and finding representation for non-English speakers compounds the difficulty of placing these cases. Winston & Strawn attorneys also helped clients with record clearing, estate planning, and provided 60 hours of legal advice and counsel to veterans at Friday Veterans Legal Clinics at the VA Hospital.
**Small Firm – Shipley Snell Montgomery LLP**

Shipley Snell Montgomery LLP became an Equal Access to Justice Champion in 2021 and has found that providing pro bono legal services is a great way for new attorneys to gain litigation experience. In 2023, Shipley Snell Montgomery attorneys actively worked with seven clients, five of which were clients needing assistance with non-disclosures. One of these cases was a non-traditional sealing of a 19-year old’s juvenile record. This expunction was of a class C misdemeanor for a minor.

**Individual – Jeremy Northum**

As a solo practitioner, Jeremy Northum became an Equal Access to Justice Champion in July 2023. HVL recently named Jeremy as “Most Likely To Try Cases in a New Area of Law” in its 2022-2023 Year in Review in recognition of Jeremy’s willingness and enthusiasm to support low-income Houstonians in whatever area of law they need help. In 2023, Jeremy accepted six pro bono cases covering five areas of the law—divorce, small estate affidavit, wills, record clearing, and probate. Jeremy closed seven pro bono cases during 2023, positively impacting the lives of these clients as he helped to resolve a variety of legal matters.
As part of our gratitude, we offer continuing thanks to those who have led us since the inception of the Houston Bar Foundation in 1982.
