Houston Bar Foundation Mission Statement

The Houston Bar Foundation was established in 1982 as the charitable arm of the Houston Bar Association. Since that time, the Foundation has supported programs that provide legal representation to the indigent, promote community understanding of our legal system and foster the administration of justice. Through the generosity of its contributors, the Foundation has been able to make a difference in the greater Houston community.

A 501(c)(3) nonprofit corporation, the Houston Bar Foundation, while started on a shoestring, now has an investment fund standing at approximately $18 million. Regular contributions from individuals, including through our Fellows Program, law firms, companies, and other organizations, as well as the Kay Sim Endowment for Equal Access to Justice in Houston, all serve to advance the Foundation’s ultimate goal of becoming self-sustaining.

We still have a long way to go to reach that goal, and forward progress becomes more difficult when the programs supported by the Houston Bar Foundation see increased need every year. The Houston Bar Foundation is crucial to making the greater Houston area a place where justice for all is a reality.

A Message from 2022 HBF Chair Christian A. Garza

With gratitude at the heart, I am thrilled to present the next evolution of Cornerstone. In years past, Cornerstone was one of the HBF’s primary storytelling vehicles, published each year to highlight our Fellows, the Foundation’s latest work in the Houston community, and the Foundation’s history. This year, I present to you Cornerstone: HBF Impact & Gratitude Report.

In these pages, you will find more information about where HBF is making an impact in the Houston community. We provide an update on the status of the Kay Sim Endowment for Access to Justice in Houston, a shining example of the generosity of our legal community’s commitment to sustaining the critical services provided by Houston Volunteer Lawyers. Being the charitable arm of the Houston Bar Association, we also spotlight several HBA programs that are funded through the Foundation and that make a difference to our Houston neighbors. Finally, we can never express sufficient gratitude to our Fellows. The Foundation does not fundraise in the typical manner that other nonprofit organizations do. Rather, it relies on the support of our Fellows to provide needed operating funds to continue our mission to promote the rule of law and foster the administration of justice – in short to close the justice gap.

I thank you all for your support of the Houston Bar Foundation this past year. I look forward to standing alongside you as Monica Karuturi takes the helm as the 2023 HBF Chair and continues to drive the Foundation’s success.

Sincerely,
Christian A. Garza
2022 HBF Chair

Kay Sim Endowment – THANK YOU

In 2019, the Houston Bar Foundation launched its campaign for the Kay Sim Endowment to maintain access to justice in Houston. The purpose of the campaign was to ensure sustainability of annual funding for pro bono civil legal services in Houston through Houston Volunteer Lawyers.

The campaign honored Kay Sim, former Executive Director of the Houston Bar Association and Secretary of the Houston Bar Foundation, who dedicated her more than 40-year career to helping Houston lawyers and the people of Harris County. The Kay Sim Endowment Campaign raised approximately $1.7 million. As of June 30, 2022, approximately $1.2 million of the Foundation’s investment fund is restricted to the Kay Sim Endowment.

The Foundation thanks the campaign co-chairs and all who contributed generously to the Kay Sim Endowment.

Where the HBA and HBF Are Making an Impact - THANK YOU

Here are just some of the ways our HBA members are making a difference in the Houston community through programming funded through the HBF. We are very grateful for your support in helping us serve the Houston community through these events.

Harvest Celebration

![Photo credit: Deborah Wallace, Barifeld Photography](image)

The Harvest Celebration is HBA and HBF’s major annual fundraising event in the fall, bringing together Houston’s diverse legal community to support essential pro bono legal services provided by Houston Volunteer Lawyers. Houston Volunteer Lawyers is the largest provider of pro bono legal services in Texas, giving thousands of Houstonians access to justice through its clinics and community partnerships. HVL provides legal aid through its clinics and community partnerships for families in crisis, evictions, veterans, consumer issues, and other civil legal problems, as well as empowers and supports lawyers to volunteer their services. In the 2021-2022 bar year, over 10,000 individuals reached out to HVL for assistance and attorneys from over 100 corporate legal departments and law firms provided free legal representation.

When you attend or sponsor the Harvest Celebration, you are directly supporting HVL’s work. 100% of the net proceeds from Harvest goes to HVL. Thanks to your incredible generosity, the 2022 Harvest Celebration raised over $1 million. Thank you to all of our generous sponsors and to everyone who attended in support of pro bono legal services and helping our Houston neighbors in need.
Thank you to the 2022 Harvest Celebration underwriters for your support and for making a difference

The race is named in honor of the late John J. Eikenburg, who during his presidency of the HBA in 1986 wanted the HBA to host an annual charity run for HBA membership to become more involved in the community. Now in its 38th year, the HBA John J. Eikenburg Law Week Fun Run benefits The Center for Pursuit, a nonprofit, United Way agency, that provides employment, enrichment, residential, and health care services to individuals with intellectual and developmental disabilities (IDD) and autism in the Houston area. So far, the HBA has donated over $1.6 million through this annual event.

HBA & HYLA Military & Veterans Committees and Combined Arms Fire Team Relay

Photos courtesy of Anthony Raythbun

The First Annual Fire Team Relay, co-hosted by the HBA and HYLA Military and Veterans committees, raised over $20,000 for programs delivered through Combined Arms and veterans programs under the HBA/HBF/HVL Veterans Legal Initiative. The HBA and HYLA worked closely together to ensure veterans were at the forefront of this new event by hosting it the day after Veterans Day and with proceeds directly benefiting local veterans programs. The organizers also sourced the food for the event from a local veteran-owned business, Max's Wine Dive.

HBA Law Day Poster, Photo, and Essay Contest Prizes

Law Day has been sponsored and promoted by the American Bar Association and the Houston Bar Association since 1958, when President Dwight Eisenhower designated it a national holiday. The HBA joins local and state bar associations nationwide in sponsoring activities surrounding May 1. While the HBA calls its celebration “Law Week,” it encompasses much more. The HBA and HBF sponsor an essay contest, poster contests, and photography contests where students interpret the theme of Law Day and submit their work to the Law Week Committee.

Harris County Court Administrators Continuing Education Grant

The Foundation has provided regular grants to underwrite education for Harris County court personnel that is related directly to the administration of justice.

HBA Lawyers for Literacy Committee Book Drives

The HBA Lawyers for Literacy Committee holds book drives every year to accept new and gently used children’s books, as well as hardback fiction. Donations are given to local organizations serving children and veterans.

Campaign Against Homelessness and Hunger Committee

The HBA Campaign to End Homelessness and Hunger Committee regularly hosts volunteering events at the Houston Food Bank to help inspect, sort, and repackage donated food for community distribution. The committee also hosts its annual Veteran Holiday Gift Bag Project, where our legal community comes together to donate, pack, and deliver gifts to Houston area homeless veterans.

This past year, the HBF also supported the Houston Area Women’s Center and LAWteria, which was hosted by the Hispanic Issues Section of the State Bar of Texas, benefitting the Texas Access to Justice Foundation.
Our Fellows Program – THANK YOU

The Houston Bar Foundation’s strength as the Houston Bar Association’s charitable arm is because of its Fellows. The Foundation does not fundraise in the typical sense. Only members of Houston Bar Association are eligible to become HBF Fellows, and only a small number of our members (less than 1%) are invited to join each year. Even so, the Foundation relies on its Fellows for operational support for its programs beyond its annual grant to Houston Volunteer Lawyers.

Thank you to this special community of Houston attorneys who are dedicated to closing the justice gap in Houston.

Hassan Assad is a professional wrestler best known as Montel Vontavious Porter, or “MVP.” At age 16, Assad was convicted of armed robbery and served 9-and-a-half years in prison. He started wrestling school in 2000. His talents and hard work ascended him to top of the WWE ladder, wrestling in sold out arenas and against ring legends, such as Ric Flair and John Cena. Not only is Assad one of the longest reigning wrestling champions in WWE and professional wrestling history, but he also captured the WWE dual tag team championship title with Matt Hardy while still holding a U.S. championship title.

While he is best known for his stints with the WWE, Assad has worked for a number of wrestling organizations around the world. Amongst many of his wrestling accomplishments, Assad was the first inaugural IWGP Intercontinental champion in Japan.

Assad is also an International Brazilian Jiu Jitsu Federation world champion. He competed in the purple belt master 4 division in December 2020 and won first place. While on the podium to receive his gold medal, and because of his victory in the purple division, he was promoted to brown belt. He continues to train with the goal of attaining black belt status.

Aside from his involvement and accomplishments in the wrestling arena, he is passionate about prison reform and music. Assad has spoken extensively about the need for prison reform in the United States. He is a rapper and poet who has released an album and continues to periodically release music on streaming music platforms.
Houston Bar Foundation Awards

Outstanding Contribution to the Dispute Resolution Center
When the call goes out for volunteers, the DRC can always count on Jill Arntz. Her generous dedication and enthusiastic support to the DRC this past year is evidenced by her accomplishment of mediating more cases than any other volunteer. She is always ready to help when needed most. Her commitment to serve those less fortunate, often with little advance notice, has had a monumental impact on the growth of the DRC's services, not only on probate matters in the Litigation Program, but on the Family and Community departments as well. Her contribution has been invaluable, and the DRC counts on her to settle some of its most challenging and complex cases. Jill Arntz's law practice concentrates on estate and probate matters.

Longevity of Exemplary Service to the Dispute Resolution Center
A longtime friend of the DRC, Brenda Page's tireless efforts and unfailing support through 14 years have earned her this well-deserved recognition. Her selfless contribution and distinguished record of service have greatly contributed to the DRC's success. She has mediated for the Center's Community, Family and Litigation programs when help is needed on their most challenging and difficult cases. She has garnered countless accolades from DRC staff and is considered a "go-to" volunteer whenever there is a critical need. Prior to practicing law, Brenda Page was a brokerage services manager and bank vice president of security operations. Her areas of practice include probate, family, real estate, and business. Brenda Page is a shining example of how one person's skills and dedication can have a lasting influence.

Outstanding Legal Article in The Houston Lawyer
Jennifer Davidow, Xperanza Uviedo, and Akilah Craig are recipients of this year’s award recognizing an outstanding legal article in The Houston Lawyer. In the winning article, “Generational Perspectives on Adapting to the Evolving Legal Landscape,” these authors representing different generations shared their insight into workplace integration, building mentorship networks, and fostering
company culture in a post-pandemic world.
Ms. Davidow is senior counsel at Fogler, Brar, O’Neil & Gray LLP. Ms. Craig is an employment attorney at Locke Lord LLP, and Ms. Uviedo is a first-year associate at Shipley Snell Montgomery LLP.
The Foundation would like to thank Dean Michael Barry of South Texas College of Law, Dean Leonard Baynes of the University of Houston Law Center, and Interim Dean Okezie Chukwumerije of Thurgood Marshall School of Law for serving as the selection committee.

Corporate Law Department –
To inspire a culture of pro bono within the LyondellBasell Legal Department, Lyondell Basell hosted a pro bono training followed by a networking happy hour. In addition to building camaraderie between LYB and HVL staff, the training and happy hour resulted in eight LyondellBasell pro bono attorneys representing 13 HVL clients in 2022. LyondellBasell also sponsored a Friday Legal Advice Line, donating 56 hours as their attorneys gave advice and counsel to dozens of clients. With a special interest in supporting the hundreds of veterans who come to HVL for legal assistance, LyondellBasell assisted vets and other clients with record sealing and expungement through their Diversity, Equity, and Inclusion team. This important work clears the path so veterans can seek housing, jobs, and get on with their lives.

Large Law Firm - BAKER BOTTS
An Equal Access to Justice Champion since 2007, attorneys at Baker Botts consistently represent 100+ cases each year. Baker Botts attorneys worked on 143 client matters in 2022, taking 64 new cases during the year, 36 of which were tenants appealing their eviction judgments in the Harris County Civil Courts at Law. Working with their corporate partner, Shell, Baker Botts attorneys supported the Medical Legal Partnership between HVL and Texas Children’s Hospital, handling guardianship cases for 11 families in need. Baker Botts attorneys also consistently donate numerous hours to providing advice and counsel to clients through the Friday Legal Advice Line.

Midsize Law Firm - Beck Redden
Beck Redden has volunteered with HVL since it was founded in the early 90s, solidifying their commitment to providing pro bono work by becoming an Equal Access to Justice Champion in 2007. Beck Redden attorneys have handled more than 200 cases, including litigation matters (divorce and evictions) in 2022. In addition to working with HVL’s clients, Beck Redden attorney Jackie Furlow is completing her third year as a member of the Board of Directors of HVL. Beck Redden attorneys have taken cases in a variety of legal matters and most recently have supported the Medical Legal Partnership between HVL and Texas Children’s Hospital by providing legal assistance with critical guardianship cases for families whose children turn 18 and need continued parental/guardian care.
Small Firm – Diggs & Sadler
Diggs & Sadler was lead counsel in two pro bono appeals for amicus briefs by the American Board of Trial Advocates (ABOTA)- both the Texas and the national organizations. The issue briefed in the first case was the right to an in-person jury trial. The second case involves the right to a jury trial under the Texas Constitution. Three of the firm’s attorneys spent a total of nearly 500 hours of pro bono work on these matters in 2022.

Small Firm – Martin RG Marasigan Law Office
Attorneys at the Martin RG Marasigan Law Office have been volunteering for more than 10 years and made the commitment to become an Equal Access to Justice Champion in 2007. According to the HVL, family law cases are the most frequent type of cases they have and often the hardest to place with pro bono attorneys. In the last 10 years, the Martin RG Marasigan Law Office has handled 54 divorce cases. Martin Marasigan volunteered to provide advice during a Friday Legal Advice line clinic last August and extended that commitment by agreeing to represent two of the clients he spoke to with their divorce matters.

Individual – Jane L. Ray
Jane L. Ray, a senior counsel at Yetter Coleman, dedicated nearly 120 hours on pro bono cases last year. The majority of those hours were spent on an immigration matter, where Ms. Ray and a team of attorneys obtained Special Immigrant Juvenile Status for a client in Houston. Ms. Ray also dedicated 10 pro bono hours to a First Amendment case, resulting in a successful mediation of the client’s claim. Ms. Ray is also dedicated to pro bono through her professional contributions with the firm, including her work on a more than decade-long foster case the firm had taken to address and fix the problems within the Texas Department of Family and Protective Services.
Heart of Pro Bono Award – Gibson Dunn & Crutcher LLP, Hillary H. Holmes, and The Pro Bono Squad

The Heart of Pro Bono Award was established in 2022 as a special award to posthumously recognize Zenobia Harris Bivens, an outstanding member of the Houston community. This year, the Harris County Bench Bar Pro Bono Award Committee presents this award to the firm Gibson Dunn & Crutcher LLP, firm partner Hillary H. Holmes, and a group of six first-year associates known as The Pro Bono Squad (Ezra Brown, Kyle Clendenon, Iris Hill Crabtree, Mason Gauch, To Nhu Huynh, and Hayden Theis).

In addition to Ms. Holmes’ service on the HBF Board of Directors, under her leadership, Gibson Dunn attorneys accepted nearly 60 pro bono cases in total in 2022.

During the 2022 Harvest Celebration Peer-to-Peer Campaign, the firm’s Pro Bono Squad volunteered to take on five HVL cases and opened four new pro bono matters at the firm—the first time they had ever opened a new matter. Their work accounted for over 20% of all pro bono work completed by the 62 attorneys at Gibson Dunn’s Houston office last year.
As part of our gratitude, we offer continuing thanks to those who have led us since the inception of the Houston Bar Foundation in 1982 when it was boots on the ground. And we look forward to our future leaders and what greatness they will bring.

Thank you to these past HBF Chairs for your service to the Foundation
