

Defense Experts: New Techniques to Eliminate their Silly, Biased and Unfounded Opinions featuring Dorothy Clay Sims

March 1, 2019

ISTA Conference Center, Indianapolis

9:00 a.m. – 10:00 a.m. Radiology: How Bad Doctors Hide Good Evidence

Dorothy Clay Sims

- a. White out the image showing the problem
- b. Show the wrong image
- c. Claim a herniated disc preexisted
(you can't date onset of a herniation just by looking at it per the literature)
- d. Claiming the abnormality is "normal" for age;
- e. Claiming the abnormality pre-existed
- f. HNP can't date herniation based on the scan; one-hour mix between Daubert and Frye so talk about admissibility
- g. How to mount a Daubert/Frye challenge

10:00 a.m. - 11:00 a.m. How to Tell if an Article is Truly Scientific and How to Detect Misrepresentations of the Literature

Dr. Jennifer van Velkinberg

11:00 a.m. - 11:15 a.m. BREAK

11:15 a.m. - 12:15 p.m. Ok. I Have the Defense Exam Recorded. Now What?

Dr. Oregon Hunter

Dr. Oregon Hunter, M.D. the nation's leading medical doctor who specializes in watching DME exams, reviewing the DME report and preparing charts of misrepresentation will teach you how to watch the report and spy the lies like:

- a. Range of motion not done or done incorrectly;
- b. Claims the strength was tested... and it was not;
- c. Claims cranial nerves were normal... when they were never tested;
- d. Claims reflexes were normal... when they were not all tested

12:15 p.m. - 1:15 p.m. LUNCH

1:15 p.m. - 2:15 p.m. PTSD: The New Traumatic Brain Damage

Dorothy Clay Sims

How PTSD causes atrophy of the brain and how to prove PTSD with brain scans, blood work... and your FitBit. And how sleep issues due to pain cause significant economic damages.

2:15 p.m. – 3:15 p.m.

Researching the Expert: How to Dig for Dirt on a Bad Expert

Javier Sanchez

Zsinformationgroup.com, the nation's premier leading research and analysis of misleading expert information. Javier Sanchez of ZS Information Group will teach the audience how to research the defense expert to confirm:

- a. Board certifications;
- b. Degrees actually obtained vs claimed in the CV;
- c. Misrepresentations regarding other issues in the CV;
- d. Whether a school is actually certified and legitimate;
- e. Whether the expert lied about training
- f. Where to go to get good information.

3:15 p.m. – 4:15 p.m.

Dumb Defenses and How to Bust Through Them

Dorothy Clay Sims

- a. The condition pre-existed;
- b. The condition will get better;
- c. The condition doesn't exist;
- d. The symptoms are exaggerated;
- e. The condition is due to normal aging
- f. The scans/tests are normal
