

Sagamore Club Covid-19 “Pledge” to Members and Guests

- High touched common areas are disinfected frequently to include restrooms, light switches and door handles
- Social distancing
- Work-spaces and equipment in the back of the house are disinfected frequently
- Employees will not come to work with any signs of sickness or being exposed to someone who has shown symptoms
- Employees are hand washing frequently
- Every employee’s temperature is taken each day upon arrival
- Servers are wearing face mask through their entire shift
- Managers and staff are meeting frequently to ensure processes and policies are being followed and effectively working
- We have no touch flags with a hook so golfers can retrieve their ball without touching the flagstick
- Golf carts are sanitized after each use
- We take the temperature of all players in golf outings upon arrival
