

Attention Exhibitors!

Greener Vegas is happy to be part of the CAALA tradeshow at the Venetian Palazzo in Las Vegas September 3, 4, 5, 2009.

As a part of CAALA 2009, Greener Vegas will be providing recycling services during the set up and breakdown phases of the show.

- During setup you will find Greener Vegas staff coordinating the removal of packing waste such as plastic, shrink-wrap, and cardboard. If you have such waste that will NOT be re-used for move-out, please take it to the designated recycle area.
- During show days Greener Vegas will be collecting plastic bottles, aluminum cans and paper through the many recycle bins that will be placed throughout the venue. PLEASE NO FOOD!!
- At the close of the show, Greener Vegas will again be on the floor coordinating the removal of excess recyclable and repurpose materials including paper, publications, plastic, cardboard, signage, display product, metals, floral goods and other items.

We want to encourage all exhibitors to participate. If you know your company will have any of the above materials that will not be shipped out at the conclusion of the show, please make show management and a Greener Vegas representative aware of your needs (info@greenervegas.org).

A “MHA” is required to remove materials from the venue, all donations should be marked as “outbound shipments” and Greener Vegas listed as the shipper.
Address: 3350 W Ali Baba Lane Suite G, Las Vegas NV 8911.

A Material Handlers Agreement is available at the service desk. All donated materials will need to be consolidated and made ready for transport. Greener Vegas is a 501(c) 3 and materials donated are tax deductible.

Thank you very much. We look forward to making this CAALA Show the Greenest ever!
