

High Impact[®] Visual Litigation Strategies[™]

As the world continues to grapple with the outbreak of coronavirus (COVID-19) our hearts go out to those who have been impacted. The safety and health of our employees, clients and community are our top priority. We understand the challenges facing the legal system now and aim to support your needs in any way that we can.

As part of the effort to educate the public on COVID-19 and how it impacts the body, we have put together the following video: <https://highimpact.com/coronavirus>.

With the new Stay-at-Home order issued in the State of Colorado, our team of strategists, animators, forensic experts and physicians are continuing to provide our services remotely.
