

## FORENSIC MED GROUP

Forensic MED Group wants to assure you that we take the health and well-being of our community, clients and associates very seriously. Like you, we're closely monitoring the quickly developing effects of the Coronavirus (COVID-19) pandemic.

We are working with all retaining counsels on retainer fees and offering extended payment terms. in an effort to ease the financial burden, so we can all continue to work through this difficult time!

Forensic MED Group's experts will continue to take new cases. Our retained experts will continue to provide case consults, review of records, reporting and evaluations. When possible, evaluations can be conducted via video conference. Physical exams will be scheduled on a case by case basis and we will be taking every precaution to ensure everyone's safety and health. Experts will be available for testimony via video conference or in accordance with the court's protocol.

We are all in this together! We will continue to monitor the COVID-19 situation and will follow guidance from public health officials and government agencies, so we can continue to support our customers and communities .

Sincerely,

Ayriel Cairo,
