

## **GUIDELINES FOR USING THIS MENTOR LIST**

- Please research your question fully before making any inquiries of the Mentors – this will help you have an educated discussion about the issue & possible solutions.
- Never reveal to the mentor any confidential communications between you and your client, including case specific information or actual names of clients/parties involved.
- Please pose all questions in terms of hypotheticals only, so that you are not at risk of creating a conflict of interest. In requesting guidance from the Mentors, you agree that your discussion regarding such hypothetical situations does not create a conflict.
- Each Mentor has designated his/her areas of expertise; please be sure to select a Mentor whose area of expertise fits your question.
- Some of the Mentors have also identified preferred methods of contact; please make every effort to contact Mentors by their preferred method.
- Mentors are not expected to supervise your practice of law.
- Mentors assume no responsibility for evaluating your work.
- Please do not share this Mentor List; it is available only to members of the MCBA Bankruptcy Section (one of the many benefits of your membership in the Section!)
