LAWYER REFERRAL SERVICE

Why you should participate in the MCBA lawyer Referral Service

It is the responsibility of the bar association, and the professional responsibility of every lawyer, to make legal services available to all persons.

By participating in the Lawyer Referral Service, you are doing your part by:

- ❖ Helping the public recognize legal problems and the necessity of using a lawyer to help solve such problems;
- ❖ Encouraging the practice of “preventive law” in solving many potential problems before they become more serious;
- ❖ Providing an opportunity to tell the public that lawyers are willing to help them and that they need not be apprehensive about consulting a lawyer; and
- ❖ Helping the public develop a better understanding of the legal system

How It Works

Your application information will be maintained in a rotating computer file by geographic area. When a call is received by the service, an interviewer will determine the geographic area and the type of case. The referral will be made to an attorney in that geographic location and area of law requested by the client. The panel member’s record will then be automatically rotated to the back of the computer file for all areas of law after each referral.

Panel members agree to provide a half –hour office or phone consultation to the client at no charge.

The client is given the name, address and telephone number of the panel member and is advised to contact the panel member to arrange an appointment. The client is also advised:

- ❖ To inform the panel member’s office that they were referred by the Lawyer Referral Service
- ❖ That they are entitled to an initial consultation of up to 30 minutes; and
- ❖ That the panel member will advise whether, based on the information provided by the client, there is a legal remedy, whether the attorney will handle the matter, and the costs and fees involved in the representation

Lawyer Referral Service Features

- ❖ Operating hours from 8:30am to 5:00pm, Monday thru Friday (excluding holiday schedules) and phones are answered during that time. Messages may be left after hours and are then returned the next day.

- ❖ 24 hour online referral service at www.maricopalawyers.org
- ❖ Full-time employees devoted to the efficient operation of the Service
- ❖ An effective source for new clients

PREFACE

The primary purposes of the Lawyer Referral Service of the Maricopa County Bar Association (the "Service") are:

1. To assist the general public in the State of Arizona by providing persons with an opportunity to obtain legal services at a reasonable fee, and;
2. To provide members of the Association with client referrals

The Service shall be operated in the spirit of public cooperation. Its offices shall be readily accessible to the public. Its personnel shall be impressed with the need to operate the Service in a spirit of friendliness and public service, baring always in mind that the Service exists primarily for the benefit of the public rather than for the benefit of the Association or its attorney members.

ARTICLE I. OBJECTIVES

The Service shall be sponsored by the Maricopa County Bar Association (the Association). The cost of establishing and maintain the Service shall be provided by the Association. The Service shall be operated by the Association with the advice and input of the Lawyer Referral Service Committee (the "Committee").

ARTICLE II. LAWYER REFERRAL SERVICE COMMITTEE

1. Members of the Committee shall be appointed by the President of the Association for two-year terms (with potential for reappointment, and the committee shall be comprised of not less than five (5) or more than fifteen (15) members. The terms of the members of the Committee shall be rotating.
2. The Committee shall hold a regular meeting at least semiannually on such date and at such time and place as it may designate. In addition, the Committee may hold such special meetings, as it may from time to time deem necessary.
3. The Association has full authority to make decisions necessary to the organization and operation of the Service and to conduct the service within the rules set forth herein and any future rules adopted by the Board of Directors of the Association. The Committee may suggest rules or procedure for the conduct and operation

of the Service to the Association. The Association shall consider all such rules or procedures suggested, but the adoption of any such rules or procedures shall be by the Board of Directors of the Association. The Committee shall have the further responsibility of regularly reviewing these rules and suggesting changes or additions to the Board of Directors of the Association as may be deemed appropriate to carry out the purposes set forth herein.

ARTICLE III. ELIGIBILITY AND APPROVAL OF PANEL ATTORNEYS

1. Any attorney in good standing with the State Bar of Arizona is eligible for membership in the Service.
2. An attorney may apply for membership by filing an application with the Committee. Upon admission to membership, the member agrees:
 - a. To pay an annual registration fee of \$50 for MCBA members or \$250 for non members.
 - b. To make an additional payment of 10% of the collected net legal fee (excluding itemized expenses and disbursements) on any cases or matters referred by LRS on which the panel member has earned and received fees in excess of \$499, payable to the LRS within 30 days of receipt of any payment by or on behalf of the client on any matters or cases referred by the LRS on or after April 1, 2008. This obligation applies to fees recovered as a result of any and all actions or proceedings arising out of the same set of facts or circumstances that were the basis for the original referral, (e.g., if the client seeks a referral for a Workers' Compensation matter and it becomes clear that the client has a third party claim arising out of the same accident). It does not apply to separate, unrelated legal matters for which the client may seek counsel, (e.g., if the client seeks a referral for drafting a will, but asks questions about a recent auto accident in which his daughter received injuries).
 - c. To grant a free initial consultation in person, via telephone, or by written communication to a referred client. The attorney shall give his/her full attention for the thirty (30) minute consultation

 - g. To accept referrals in at least one of the specific areas of practice on the Lawyer Referral Service Panel application.

3. The Committee may in its sole discretion, suspend or terminate his/her privilege or membership in the Service in accordance with the LRS Quality Assurance Procedures, as amended from time to time (which are incorporated herein by reference). The Service shall not return or refund all or any part of any panel membership fee in the event of suspension or termination, or for any other reason.
 4. No attorney shall be disqualified from registration because of the length of time he/she has been admitted to the Bar, and the Committee shall give sympathetic consideration to registration of younger lawyers.
 5. Any panel attorney shall be permitted to temporarily or permanently withdraw or submit his or her resignation from the Service or from any of its panels upon five (5) days' written notice to the Service
 6. Attorneys registering for the Service may be assigned to geographical panels, so that excessive travel by the client is avoided.
 7. Any registered attorney may designate in the application the type of work the attorney will accept, but will not be permitted to specify an unwillingness to accept referrals according to the value of the property of the amount of the claim involved. The designations may be amended at any time upon five (5) days written notice to the Service.
 8. Experienced subject matter panels are those referral categories or panels for which the LRS requires attorneys to demonstrate achievement of certain objective levels of experience. Experience criteria apply to some or all sub-categories within the following referral categories: Product Liability, Medical Malpractice, and Felony Criminal Law.
- ## ARTICLE IV OPERATION OF THE SERVICE
1. The Service shall be staffed by one or more Interviewers who shall function under the supervision of the Lawyer Referral Service Director.
 2. Each client shall be interviewed by an interviewer. The Service shall be organized so that the interview may take place at the office of the Service, by telephone, or via the internet.
 3. Except in the case of direct online referrals, each client shall first communicate with the Service office. Whenever inquiry for the employment of an attorney is received by the Service, the Interviewer shall attempt to ascertain whether the person being interviewed is presently represented by an attorney in the same matter; if so, the Interviewer shall suggest that the applicant talk to that attorney. If, however, the client states that he/she does not wish to consult that attorney, he/she will be referred to another attorney according to the Service's usual procedures, unless this would violate the provision of the section on Refusal of Service. If the client is referred in the usual manner, the member to whom the referral is made shall be informed of the circumstances and shall be governed by the State Bar of Arizona Rules of Professional Conduct.
 4. The Interviewer shall determine whether the client has a problem appropriate for referral. If so, and if the

Maricopa County Bar Association Lawyer Referral Service Rules

- applicant meets the requirements of the Service, he/she shall be referred to an attorney in accordance with the rules of the established by the Service.
5. Assignment of referral clients shall be by rotation from the appropriate list unless the client shall decline to be referred to a particular member, in which case the client shall be referred to the next member on the rotation list. Any member passed over in this manner shall remain in the same position on such list.
 6. Before or during the interview, the client shall be informed, either orally or in writing, of the Service's rules applicable to his/her case. This includes information about the purpose of the first referral consultation, the length of time deemed appropriate for the consultation, the fee to be paid by the applicant for the initial consultation, and any other information deemed necessary.
 7. No prospective client shall be referred to more than three member attorneys of the panel regarding the same situation.
 8. A member shall not refer a matter referred by the Service to another attorney (including those within his/her law firm). The individual panel attorney who accepts a referral from the Service must conduct the initial consultation with referred client. This individual panel attorney may not delegate this initial consulting responsibility to any other attorney or non-attorney personnel.
 9. At the outset of each referred matter, the Service shall charge to, and collect directly from, each referred client a \$40 administrative fee (except in cases involving personal injury or worker's compensation).
 10. If the attorney expects to seek compensations for longer consultation or for further services (such as preparing legal documents or representation in any matter), or if a longer consultation or further services are requested by the client, the attorney and the client shall agree in advance on a fee arrangement, preferably confirmed in writing.
 11. Compensation for further services shall be fixed by agreement between the attorney and the client in keeping with the spirit of the Service and the Rules of Professional Conduct
 12. Except as provided above, a panel attorney shall not be permitted to restrict the nature of the matters he/she will accept, and he/she must accept any case referred for the initial consultation unless the attorney is unable to do so for ethical or personal reasons. If any panel attorney concludes that special services are required, and that he/she does not feel qualified to render these services, he/she shall refer the client back to the Service. This in no way limits the right of the panel attorney to decline a case (after initial consultation) should satisfactory financial arrangements with the client not be obtained.
 13. Failure to accept five (5) consecutive referral clients for the initial consultation may result in removal of the attorney from the panel.
 14. The Service reserves the right to decline to make the facilities of the Service available to any person to the extent it may do so under law.

ARTICLE V. MARKETING THE SERVICE

The existence and purpose of the Service shall be marketed through various channels (while preserving the anonymity of its members) to the end that the availability of competent and conscientious legal assistance shall be known to those who can afford to pay a reasonable fee for legal services but do not know an attorney.

Maricopa County Bar Association Lawyer Referral Service

Quality Assurance Procedures

The LRS is a service to the public and must function in a way to assure professional service and to be sensitive to the concerns of both attorneys and clients. The Service welcomes feedback from both clients and attorney members.

Quality control authority is vested in the LRS Director and LRS Committee

THE ATTORNEYS

PANEL MEMBERSHIP

- ❖ Attorneys may be suspended from the Service by their own request or by action of the LRS. Annual membership dues are not refundable in any circumstances or for any reason. Responsibility for current cases is not affected by membership status.
- ❖ If an attorney requests temporary or permanent suspension of membership, the LRS director will change the status accordingly.
- ❖ The LRS Director will temporarily suspend attorneys who are delinquent in returning required reports, or whose proof of malpractice insurance has expired. A grace period of thirty (30) days is allowed for giving evidence of fulfilling LRS panel membership requirements. On evidence of fulfillment of the requirements, the attorney will once again be activated.
- ❖ On being informed by the State Bar of Arizona or by the panel member that a panel member has a pending disciplinary matter, the LRS director will refer the matter to the LRS committee for its review and consideration. The Committee retains the right to temporarily remove the member from the Service during the period of the disciplinary process. Any panel member who is disbarred shall automatically be removed from the panel. Any panel member who is suspended may not participate in the Service during the period of suspension.
- ❖ An attorney may also be suspended or removed from the Service for any of the following reasons: consistent unavailability to accept referred clients; excessive complaints from referred clients; record of failure to keep appointments with referred clients; providing misinformation regarding referral dispositions and/or fees; referral of LRS referred clients to other attorneys without notice (including to other members of the same firm); failure to disclose within 60 days any disciplinary action taken by the State Bar of Arizona; failure to disclose within 30 days a cancellation of malpractice insurance coverage; and any other conduct determined unprofessional, that reflects negatively on the MCBA, or is otherwise incompatible with the mission of the LRS. The Director

will immediately report such issues to the LRS Committee who will review the complaint and take appropriate action as it sees fit.

THE CLIENTS

❖ Follow up Surveys

LRS surveys a sample of clients using the LRS service each quarter. Questions asked to assess the concerns with either the administrative service or the service provided by attorneys. Information obtained by such follow up procedures should be used to make such alteration in the operation of the Service as may appear desirable to the Committee from time to time.

Client responses are used in three ways:

- ❖ Surveys give feedback on quality of service provided by the LRS staff
- ❖ Surveys give feedback on quality of service provided by the panel attorneys. If the client has written any significant comments about the experience with the attorney, whether positive or negative, copies are mailed to the attorney directly if staff feels that would be constructive. Copies are also placed in the attorney's file. If the attorney was criticized in the survey and wished to provide a written response, the response is placed in the attorney's file
- ❖ Surveys provide a limited check on attorney reporting of fees. If the survey form reports the amount of fees paid, staff compare that figure to the amount of fees reported by the attorney for legal services. If there is a significant discrepancy, staff contacts the attorney in order to explain that discrepancy.

❖ Handling Client Complaints

Explaining Options

- ❖ The LRS will deal with all client complaints in a courteous and responsible manner. Every client who calls to complain about the service should be informed of the approaches to finding an acceptable solution. LRS Interviewers will keep a log of all complaints and the steps taken to resolve the issue
- ❖ Where the complaint of the client appears to deal with matter covered by the Rules of Professional Conduct, the client will be referred to the State Bar of Arizona to file a formal complaint
- ❖ If, following attempts at an informal solution, the complaint has not been resolved, the Director will submit the complaint to the LRS Committee. The

Maricopa County Bar Association Lawyer Referral Service

Quality Assurance Procedures

Committee must act within 60 days and the finding will be reported to both the attorney and the client. The Committee may, at its discretion delay or forgo an investigation if a State Bar investigation is pending.

Informal Process

- ❖ If at all possible, an informal process will be pursued. Most complaints from clients are satisfactorily concluded by providing an additional referral without charge. Other issues are best solved by having LRS staff as an informal mediator between the attorney and client. If informal efforts are unsuccessful, a more formal procedure should be followed.
- ❖ Any complaint that cannot be handled informally by the LRS staff by either providing an additional referral without charge and/or informal mediating by LRS staff must be reported to Director. The client must submit the complaint in writing.

Formal Process

- ❖ Any complaint, charge or report that a panel attorney has violated the Rules of the Lawyer Referral Service, engaged in unethical or unprofessional conduct, or engaged in any other conduct that adversely reflects on his/her fitness to practice law or participate in the service, shall initially be reviewed by the LRS Committee in writing. The attorney has two (2) weeks from the date he/she received the copy of the complaint, charge or report to respond to the committee. If the Committee believes that further investigation, review or action may be warranted, the matter shall be referred to a Subcommittee of the LRS Committee
- ❖ The Subcommittee shall be comprised of three (3) members: one member of the Board of Directors (who will act as Chair and who will be appointed by the President of the Association) and two (2) members of the Committee (appointed by the Chair of the Committee). Upon receipt of the complaint, the Subcommittee may then conduct an investigation and after such investigation by majority vote, the Subcommittee may suspend or terminate the register attorney's membership in the Service. The Subcommittee shall provide written notice of any suspension or termination to the registered attorney.
- ❖ Depending on the basis for termination or suspension of membership, the matter may be referred to the State bar of Arizona.

Appeals Process

- ❖ The decision of the Subcommittee may be appealed to the Board of Directors of the Association for review of that decision. The appeal must be made in writing within 30 days of notice of termination or suspension, to the LRS Director, who will inform the Board of Directors of the Association and the Committee Chair. The report of the Board of Directors will be reported to the complainant within 60 days. The discipline imposed by the Subcommittee will remain in force until and unless it is overridden by the Board of Directors of the Association.
