JUDGMENT ENTRY  
MARCH 24, 2020

The General Division, Probate and Domestic Relations Judges in the continuing effort to ensure the safety of the public and court staff have determined that decreasing face-to-face interactions will assist in combating the ongoing Covid-19 pandemic. Therefore, the Court will hereby limit access to the Courts housed within Mahoning County Courthouse to the following individuals: plaintiffs (including victims), the prosecutors, defendants, lawyers, necessary witnesses under subpoena, any individual having business with the Clerk of Courts, as well as those individuals deemed essential and necessary by the Court.

The limiting of access by the Court is done in conjunction with other county offices located within the courthouse that have closed their offices to the public or have modified hours of operations and procedures during this pandemic.

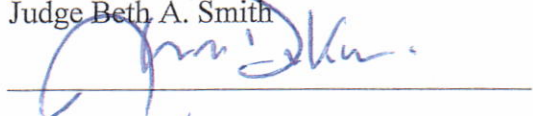

Furthermore, the Court will continue with its suspension of jury trials during the Covid-19 pandemic until further order of the Court.
