ORDER DECLARING A JUDICIAL
EMERGENCY AND CONTINUITY OF
OPERATIONS OF THE COURT DUE
TO THE COVID-19 VIRUS PANDEMIC

2020 JM1 OPEN
JOURNAL ENTRY

The Juvenile Division of the Mahoning County Court of Common Pleas makes the following findings of fact:

1. On March 9, 2020, Ohio Governor Mike DeWine issued Executive Order 2020-OID *Declaring a State of Emergency* in response to the growing COVID-19 virus public health crisis.
2. On March 11, 2020, the World Health Organization officially declared COVID-19 virus to be a *pandemic* requiring *urgent and aggressive action* to control the spread of the virus.
3. On March 13, 2020, United States President Donald J. Trump declared that the COVID-19 virus outbreak in the United States constitutes a national emergency.
4. The United States Centers for Disease Control and Prevention, *CDC*, is directing that Americans must practice *social distancing*, which is defined as *remaining out of places where people meet or gather, and maintaining a distance of six feet from others*.

Based upon these findings, the Juvenile Division of the Mahoning County Court of Common Pleas has developed a continuum of flexible alternatives in response to this public health crisis. 1. The Juvenile Division of the Mahoning County Court of Common Pleas Local Rules of Court is temporarily adapted to allow Court flexibility, within constitutional limits, in response to the public health emergency.

2. The Court Security Policies and Manual may be temporarily suspended or amended to protect public health while maintaining essential court functions.
3. The County and Court's Employee Handbook and Human Resources provisions, as they relate to court employees, may be temporarily adjusted to maintain essential court operations and functions.
4. This public health emergency shall be considered a finding of *just cause* for continuances deemed necessary by assigned judge and magistrates on a case-by-case basis.
5. The Court will have the lawful authority, within constitutional limits, to do and direct to be done all things necessary to ensure the orderly and efficient administration of justice for the duration of the declared public health emergency.
6. 8. If a trial, hearing, or other proceeding must be held, the assigned Judge or magistrate to that case shall determine, on a case-by-case basis, who may be permitted in the courthouse and courtroom. Any person who may be admitted under this provision may be subject to health screening or testing, if testing is available, and may be excluded from admission based upon the results of such screening and testing.
9. The Court shall attempt to minimize the amount of travel and social interaction of litigants, attorneys, witnesses, law enforcement, and judicial personnel by continuing non-essential proceedings, or conducting proceedings, as far as practical, by remote video or telephonic means.
