IN RE: "40<sup>th</sup> for \$40" Probate Practice Annual Seminar

Dear Colleague:

We worked diligently in these trying times to ensure that our "40<sup>th</sup> for \$40" seminar could go forward. We explored many different options to provide a safe and exceptional seminar this year. However, with deep regret, I am forced to inform you that due to the COVID-19 pandemic and the Governor's mandate regarding large crowds, we cannot go forward with our seminar as planned.

We are already working on the seminar for next year that will take place on October 1, 2021. We have explored and tentatively booked the historic and beautiful Robins Theatre in Warren for our venue. We hope to make the "40<sup>th</sup> for \$40" next year the best ever probate practice seminar. So please save the date of October 1, 2021.

Delaying our seminar this year is extremely disappointing to all of us here at the Probate Court. We hope you understand that we were forced into this decision and will continue to support our seminars in the future. Thank you for your understanding.

Very truly yours,

James A. Fredericka
