### **This election, justice is on the ballot.**

This year, you have the chance to elect two strong, qualified jurists to the Michigan Supreme Court: Candidate Elizabeth Welch and sitting Chief Justice Bridget Mary McCormack.

They have a combined 50 years of experience in law and have shown throughout their careers that they will work on behalf of the people, not political parties.

For too long, wealthy corporations and powerful special interests have been able to use their influence on our courts to successfully attack people's rights in every area of the law and tilt the halls of justice in their favor.

A vote for Welch and McCormack is a vote for a fair and balanced Michigan Supreme Court that guarantees equal justice under the law.

### **We need leaders who will protect the rights of all of us, not just the wealthy and powerful.**

State court rulings affect the quality of our schools; the safety of our neighborhoods; fair and constitutional policing; access to health care; protections for workers and consumers; and the quality of the air we breathe and water we drink.

A vote for Welch and McCormack, along with the other judicial and legislative candidates endorsed by the Michigan Association for Justice, will balance the scales of justice and protect the rights of every Michigander.

Your vote is your power to ensure that everyone can have their day in court and get a fair shot at a fair trial.

### **Vote early or on November 3 for Elizabeth Welch, Bridget Mary McCormack, and the pro-civil justice candidates on the ballot.**
