

## **Babysitters at Madden's – General Information**

- **Babysitting fees do apply**, and may **not** be charged back to the room account. All babysitters must be paid in cash at the end of their shift.
  - The Fees are as follows:
    - \$10/hour for 1-2 children
    - \$11/hour for 3 children
    - Any more than 3 children requires a second sitter, with the fees following the wages listed above
- **Meeting your sitter for the first time:** Arrangements must be arranged through Angie Bahr, the Lodge Assistant Manager, at least **48 hours** in advance. A babysitter may never meet the child(ren) or parent(s) at the room for the first time.
- **It is up to you** to make appropriate arrangements for where the child(ren) will be picked up, and where the sitter is allowed to take the child(ren) during his/her shift.
  - **Late Fees** will be charged double the hourly rate if the parent(s) does not pick up the child(ren) at the pre-arranged time.
- **In order to arrange the sitter, we will need** your name(s), your child(ren)s' names and ages, as well as a valid email address and cell phone, if you have them.
- **Cancellation Policy:** Any parent wishing to cancel the babysitter must give at least 2 hours' notice to a front desk. If no front desk is informed, the parent(s) will be assessed a \$15 cancellation fee.
- **Babysitters may be Madden's employees, but are not on the clock while babysitting.** Any babysitter arranged by Madden's is considered an independent contractor while not working directly for Madden's Resort. The resort assumes no liability or responsibility for the babysitters while they are employed by the parent(s).
- **All babysitters** fill out a form describing their experience levels, and what age and number of children they are comfortable watching. They are also all required to fill out a background form, which we do check and verify before allowing them to babysit any child. If additional information is needed about a particular babysitter, please contact Angie Bahr ([abahr@maddens.com](mailto:abahr@maddens.com), (218)855-5932).
