## A FEW OF THE MANY REASONS TO BELONG TO THE NBA

The NBA builds a sense of community and camaraderie among our members and comes with tangible and intangible benefits for enriching your career, profession, and community. Our members come from the public and private sectors, from large multi-state firms to solo practices; they are judges, in-house counsel, law students, paralegals, educators, and everything in between. By joining the NBA, you not only gain access to cutting-edge educational programs, fun networking events, and leadership opportunities within Nashville's legal community—you invest in your future by becoming a member of the “it” bar association in the “it” city.
