HIGH SCHOOL INTERN PROGRAM

The NBA and the Diversity Committee seek the commitment of your firm—as an employer—to hire one or more of the talented individuals we select to participate in our 7-week intern program beginning June 4, 2018.

§ STUDENT BENEFITS

Provide rising and graduating seniors with personal experience in the day-to-day legal workplace of private law firms, corporate law divisions, governmental law offices, and other legal organizations.

§ EMPLOYER BENEFITS

Gain access to a variety of diverse talent through identification of outstanding students, as well as participate in the efforts among the Nashville legal community to promote diversity.

§ SPONSORSHIP OPPORTUNITY

Participate in the formal educational component of the program and sponsor a *Lunch & Learn*, which exposes interns to a wide diversity of legal employment opportunities.

MAKE A DIFFERENCE

Each year, several highly qualified students are interested in the field of law and apply but must be turned away. In 2018, the Diversity Committee desires to place more students in the program. To accomplish this goal, we need your help!
