I certify that I meet the membership criteria of the Auto Torts Section of the NCAJ as is set forth below and that I will immediately notify the Chair of the Auto Torts Section if I no longer meet these criteria. This Certification supersedes any previous Certification between me and NCAJ. I understand that the use of the Auto Torts Listserv is a privilege of NCAJ membership and that this privilege may be suspended or, upon referral, review and determination by the NCAJ Executive Committee, revoked upon breach of the terms of this Certification. The provisions and obligations of the Certification shall be first enforced by the Executive Committee of the Auto Torts Section, which has authority to suspend my access to the Listserv.

Auto Torts Section membership is limited to NCAJ members engaged in representing plaintiffs in motor vehicle personal injury cases. Membership is limited to those who do not and whose firms do not participate in the defense of motor vehicle personal injury claims, unless approved for membership by the section Chair. Motor vehicle personal injury claims include claims for sickness, bodily injury (physical and mental) and wrongful death, but do not include counterclaims. Further, I certify that should either I or members of my firm undertake participation in the defense of motor vehicle personal injury claims, I agree to immediately notify the Chair of the Auto Torts Section, and I understand that my membership in the section and/or participation on the Listserv may continue only with the specific approval of the section Chair.

I understand no exceptions will be allowed to participation on the Listserv if a member of the Auto Torts Section represents a claimant in the claim being defended, and I, or a member of my firm, represent an insurance company in the defense of the motor vehicle personal injury claim, unless the member of the Auto Torts Section representing the plaintiff consents in writing to that attorney or firm's participation in the Listserv while the action is pending. I understand reinstatement requests shall be made to the section Chair.

I certify that I will not forward or otherwise distribute Auto Torts Listserv messages to non-members of the Auto Torts Section. These messages, and any attachments to said messages, or the substance or existence of such messages, are intended for the exclusive use of Auto Torts Section members representing plaintiffs in civil actions. Messages may not be furnished to a defendant, defense interest, or any other person not assisting in your case, except as required under the law. If the materials are sought in discovery, I will oppose the discovery, and contact the Chair of the Auto Torts Section. Any provision or distribution of materials obtained from the Listserv to anyone who is not a member of the Listserv is explicitly prohibited and any such disclosure or use of these materials in such a manner may expose the person or persons to removal from the Listserv, Auto Torts Section, and/or NCAJ, and/or the reporting and involvement of the appropriate local or state bar association.

For myself individually, and for any paralegal or staff member who qualifies for and has access to the Listserv based upon employment with me, I certify that any email address used to receive or communicate with the Listserv shall remain under the exclusive and actual control of myself and/or my firm. I understand that it is my responsibility to ensure that any such paralegal or staff follows the provisions and obligations of this Certification. I further certify that should any of my employees who are members of the Listserv leave my employment, I will notify the Section Chair within three (3) business days.

I certify that I will: (1) use the listserv for professional communication; (2) for purposes that advance the mission of the North Carolina Advocates for Justice. I hereby further certify and acknowledge: (1) derogatory comments of a personal nature about a fellow Listserv member will not be tolerated; (2) advocacy or promotion of any political party or any political or judicial candidate, except that NCAJ may use the Listserv to communicate PAC endorsement decisions to members, provide information about PAC endorsed candidates, and to request member participation in support of the PAC or PAC related activities will not be allowed; (3) any post or message which is likely to subject the Listserv email server to civil or criminal discovery and/or place the privacy and confidentiality of the Listserv into question will not be allowed.

Finally, I understand and acknowledge that the Auto Torts Section Executive Committee has the responsibility to enforce the provisions of the Certification. In particular, the Chair, Vice-Chair and/or Listserv Security Officer may suspend a member's access to the listserv for thirty (30) days, without first warning, in response to a post in violation of this Certification. A second violation by that same member shall be referred to the NCAJ Executive Committee for review and determination. The Chair, Vice-Chair and/or Listserv Security Officer are authorized to call for an immediate end to any thread, message/post or series of messages/posts which are deemed in violation of the Certification. Such call for cessation of discussion will be made by a post to the Listserv. Any member who thereafter knowingly violates that call for cessation shall be subject to immediate suspension from access to the Listserv for thirty (30) days. A second violation by that same member shall be referred to the NCAJ Executive Committee for review and determination.

If such information is sought in discovery, I will oppose the discovery, and I will notify the Chair of the Employment Law Section of the discovery request.
