Strength in Service

Serving the community is the foundation of the North Carolina Advocates for Justice's mission of Protecting People's Rights. We want to recognize the members who are committed to serving NCAJ and its mission and have given generously of their time and talent to our organization. NCAJ recognizes committed service members by their induction into the "Order of Service."

Order of Service Award

While we have the "Ebbie Awards" which recognize members who go above and beyond in their commitment, dedication and service to NCAJ, the Order of Service is a broader recognition of members who have given generously of their time and talent to NCAJ by serving a minimum of two areas. These areas include amicus brief writing, writing manuscripts and speaking at CLE seminars, actively serving on committees, writing articles for *Trial Briefs*, chairing educational programs, writing for various NCAJ publication projects, chairing sections or divisions, among other things. The goal of this recognition is to let those of you who give so much of your time know how much we appreciate you and to encourage others to join your ranks!

Thank You!
