ATTORNEYS

PURPOSE

The Nebraska Association of Trial Attorneys was formed to promote greater proficiency and effectiveness among its members in all phases and types of litigation. We are dedicated to the improvement of trial practice, and preservation of the jury system. The membership of the Association is open to all lawyers and law students.

CONTINUING LEGAL EDUCATION

NATA sponsors basic and advanced seminars on diverse topics that aid trial lawyers in their practice. Faculties include outstanding lawyers, experts, and judges. Written materials are available for every course. NATA members receive special discounts on registration fees for all programs.

NATA maintains an extensive catalog of CLE materials which are available to members at a discount.

PUBLICATIONS

The Prairie Barrister, our excellent quarterly publication, contains timely and authoritative articles on trial practice and procedure, provides information on the latest developments or changes in the law, and reports verdicts and settlements in Nebraska. The Barrister also provides news of the Association's activities and its members.

NATA Civil Litigation Practice Manual, written by some of the finest trial lawyers in Nebraska, contains 25 chapters of practical advice and forms, and will be

an invaluable resource for both the novice as well as the experienced litigator. The manual is available on CD ROM, and is interactive HTML-based and optimized for Windows, Macintosh and most Unix/Linux computers. The manual is available to members at a discount.

AMICUS CURIAE

NATA undertakes cases that represent important legal issues affecting the trial bar and the rights of their clients.

LEGISLATION

NATA is the only bar association in Nebraska which actively represents the trial bar's and consumer's interests in the Legislature. Our expert lobbyists review every bill introduced, and recommendations are made to the NATA Legislative Committee for further action. The committee members work diligently to assure that issues of importance to our members and their clients are monitored, supported or opposed. Legislative bills of interest are posted on NATA's web site and members receive weekly reports during the legislative session.

POLITICAL ACTION

NATA PAC, the political arm of the association, supports candidates who believe in NATA's goals of protecting the rights of citizens to recover for wrongs inflicted upon them and maintaining the integrity of the legal system.
