

**Statement of NJAJ President Edward P. Capozzi, Esq.
on the Violence at the U.S. Capitol**

The New Jersey Association for Justice deplores yesterday's violence at the U.S. Capitol.

We respect and revere the rule of law that is a bedrock of American democracy.

As trial lawyers we work diligently to uphold the United States Constitution. Those who do not need to be held accountable.

Our Statement of Mission and Values commits NJAJ to advocate not only for the preservation of the civil justice system, but for the preservation of the basic civil rights that we are all afforded, regardless of race, color, national origin, religion, gender, age or disability.
