

## **Below is information from Bronx County Bar Association about Bronx County Courts, please read in its entirety:**

We had a great conference with Supervising Judge Socorro. Her tireless efforts along with the Judges to restore and revitalize the Bronx Civil Court are appreciated.

For those of our members who are practicing in lower civil the parts are working!

There are daily 9:30 am remote no fault calendar calls - if you have not joined the roster yet send an email to [CIVBX-MS\\_CONTACTINFO@NYCOURTS.GOV](mailto:CIVBX-MS_CONTACTINFO@NYCOURTS.GOV) and provide your name, firm name, phone number and email address with the subject line "No Fault" and you will be added. We have been advised that per diem attorneys have been handling many of these calendar calls, so that is another option, please reach out!

Judge Socorro is reviewing all motions that have come in for submission; once she has determined that the motions are complete they will be assigned for decision. If you previously submitted a motion and the case has resolved please email [CIVBX-MS\\_CONTACTINFO@NYCOURTS.GOV](mailto:CIVBX-MS_CONTACTINFO@NYCOURTS.GOV)

Any small claims that was filed before the shut down that has not had a hearing will be referred to mediation first; those that have already had a mediation and not resolved will be scheduled for a virtual trial.

Judge Socorro is conferencing cases in TAP 21 & 22. If you have a case that you would like to conference for settlement and have not been contacted by the Court, email [CIVBX-MS\\_CONTACTINFO@NYCOURTS.GOV](mailto:CIVBX-MS_CONTACTINFO@NYCOURTS.GOV). Include the index number and name of the case in the subject and in the email provide you name, firm, address, phone number and email address along with contact information for your adversary.
